PUPILS to whom this textbook is issued must not write on any page or mark any part of it in any way.

1. Teachers should see that the pupil's name is clearly written in ink in the spaces above in every book issued.
2. The following terms should be used in recording the condition of the book: New; Good; Fair; Poor; Bad.

Ring the largest.

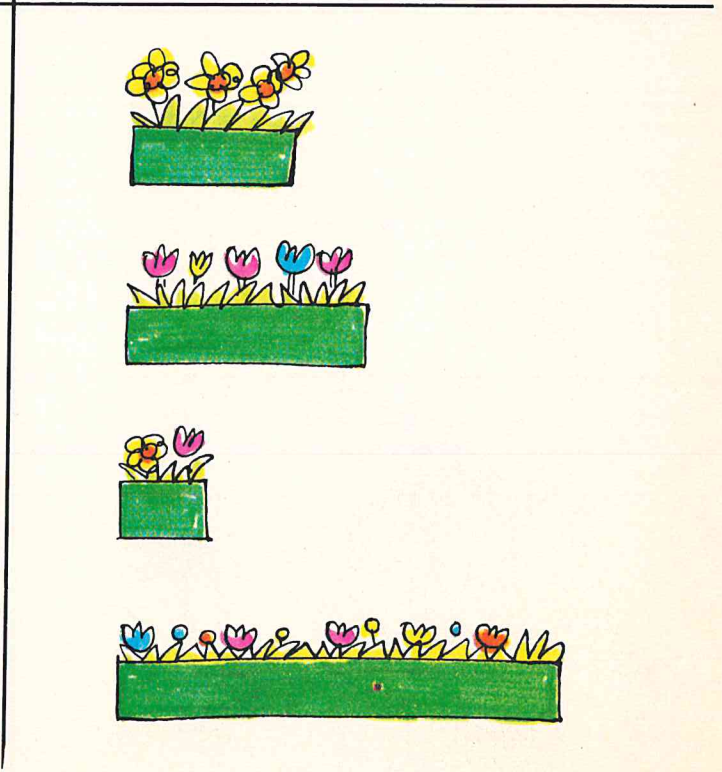

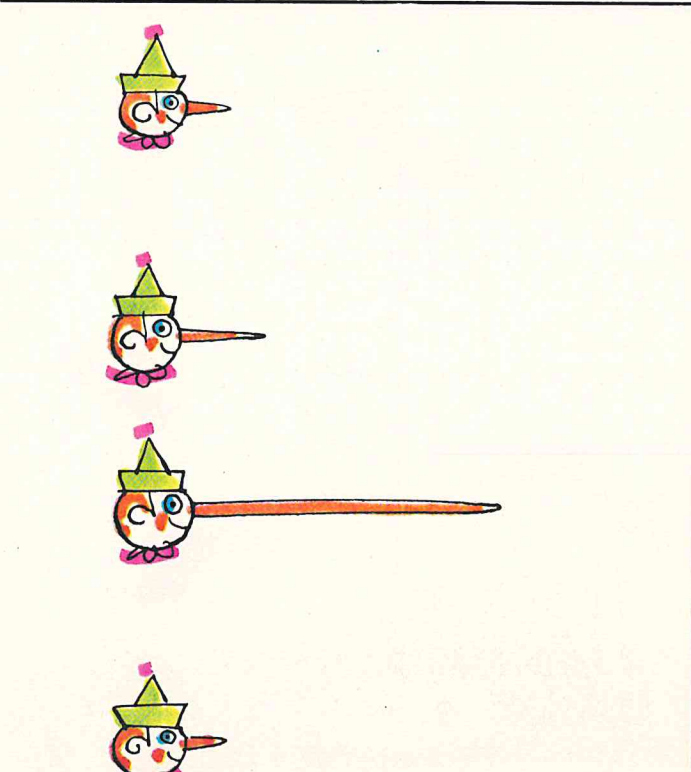

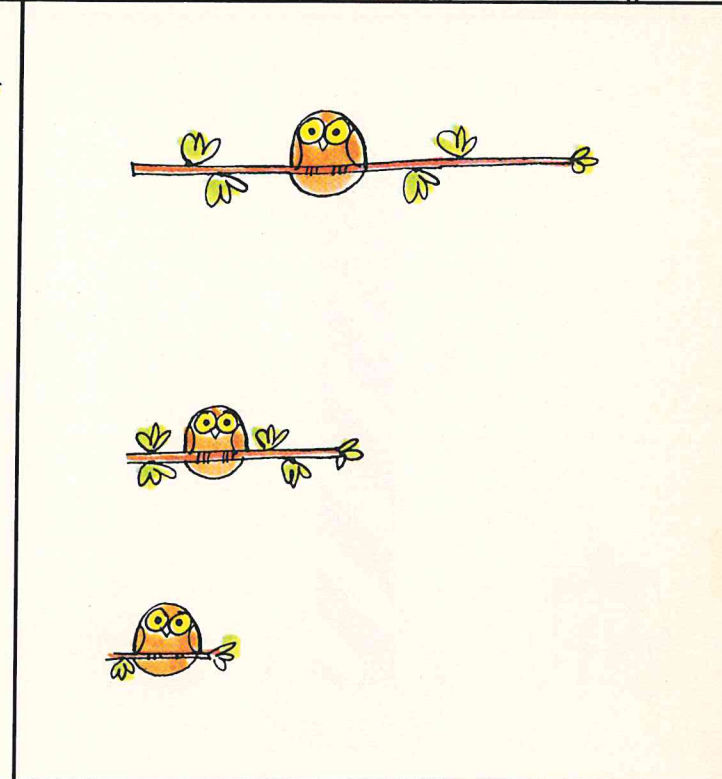

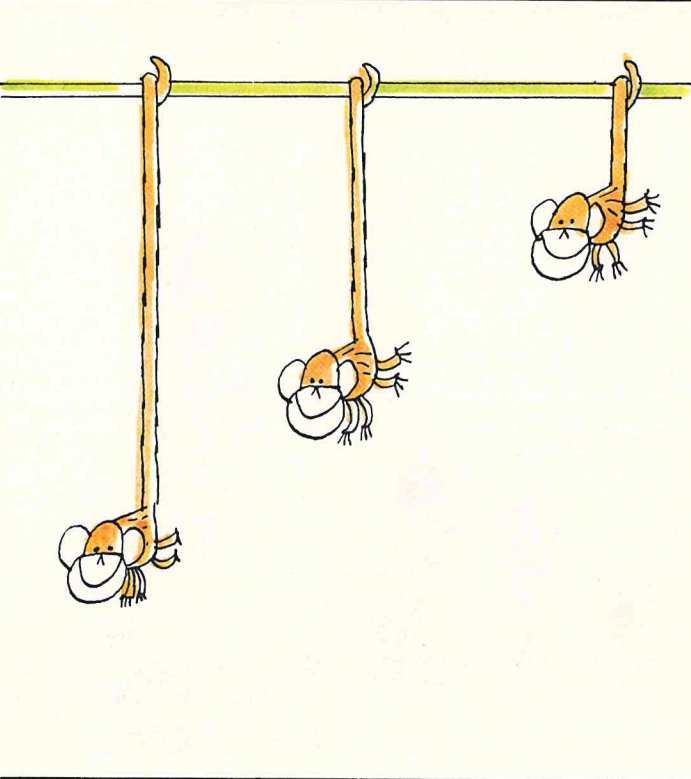

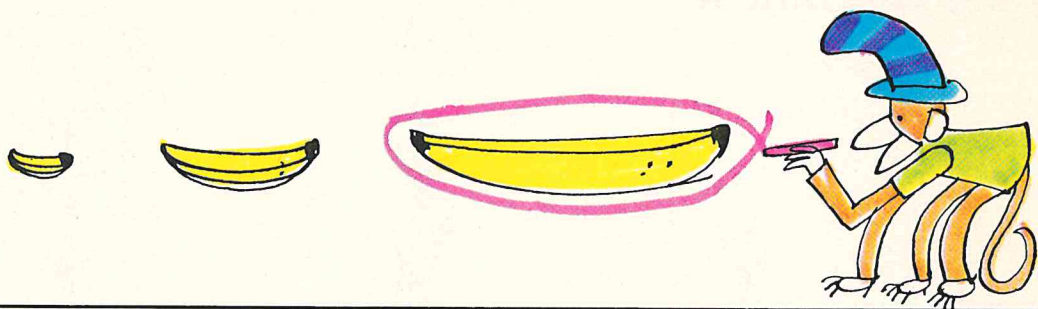

Largest • Smallest

(one) |

Ring the smallest.

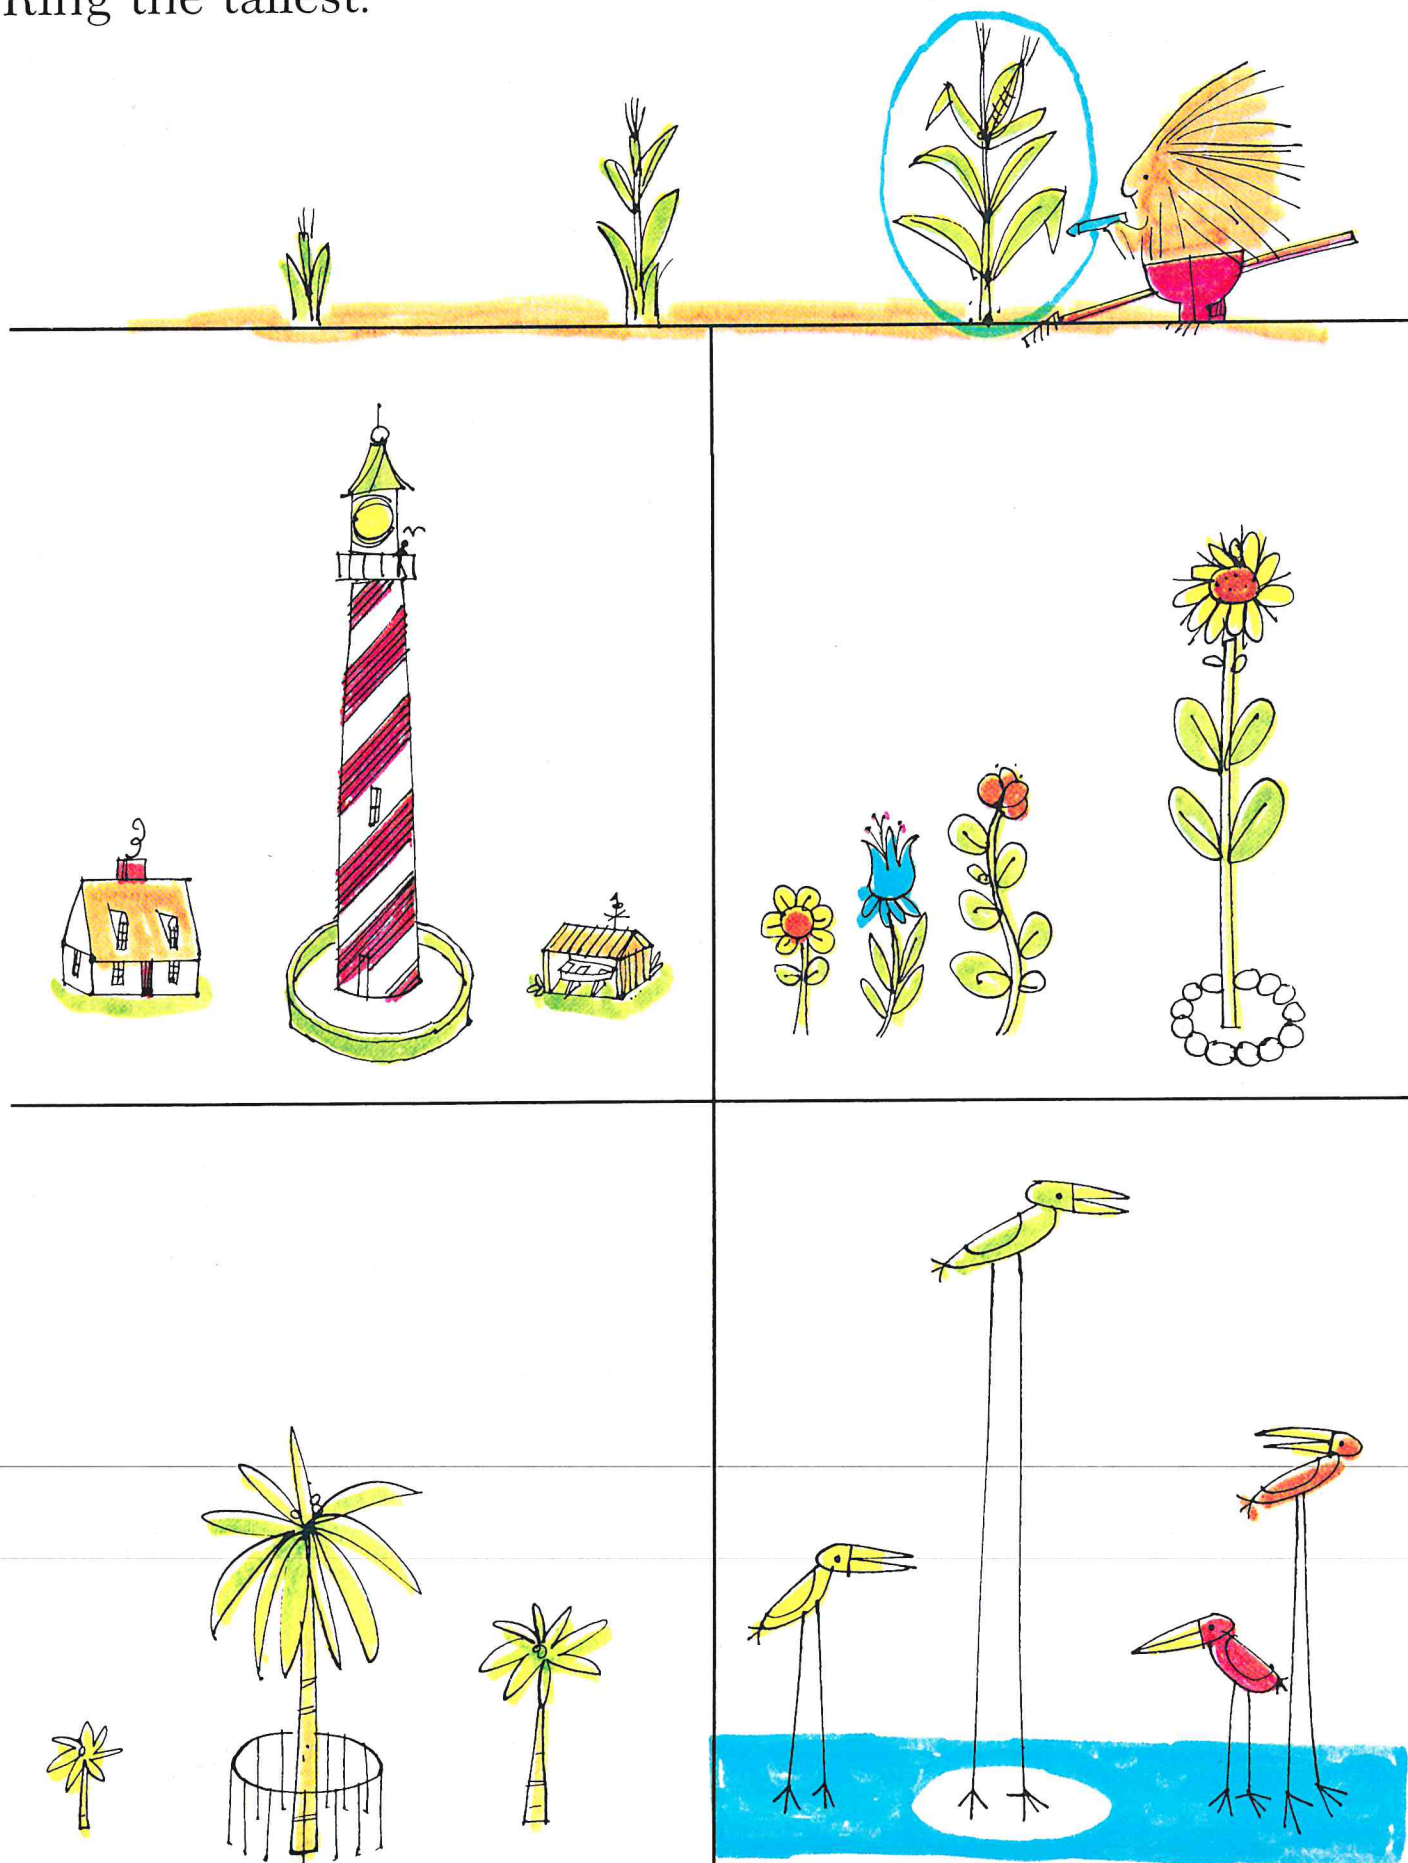

Ring the longest.

Longest • Shortest

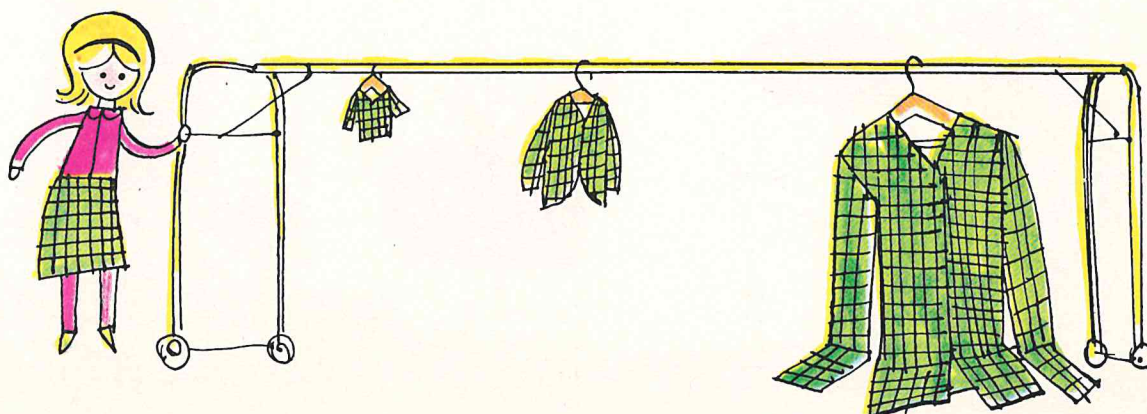

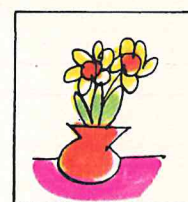

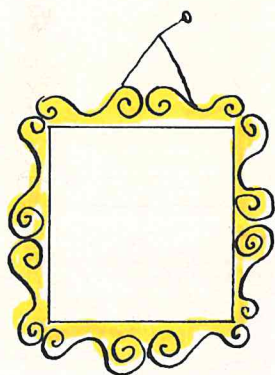

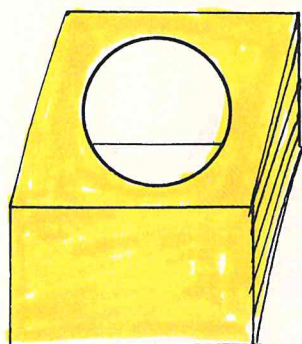

Ring the tallest.

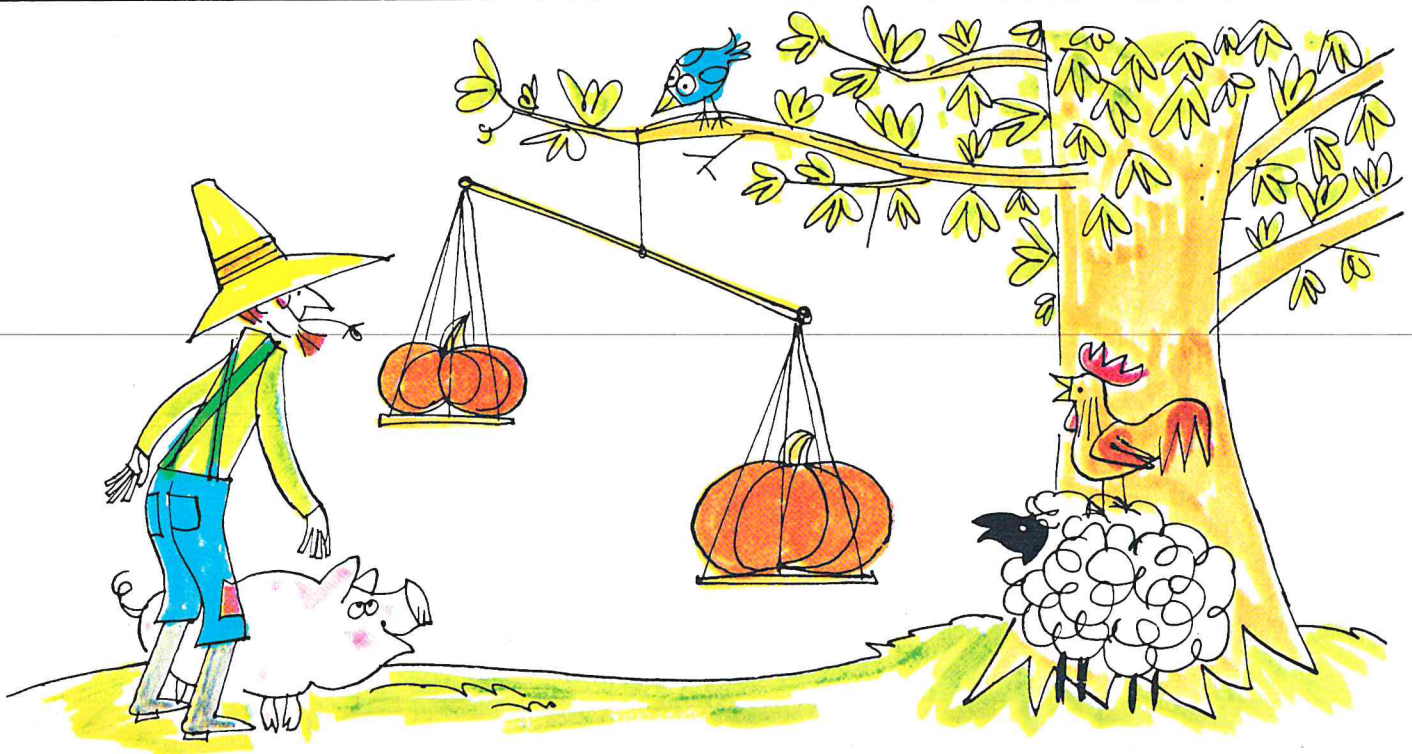

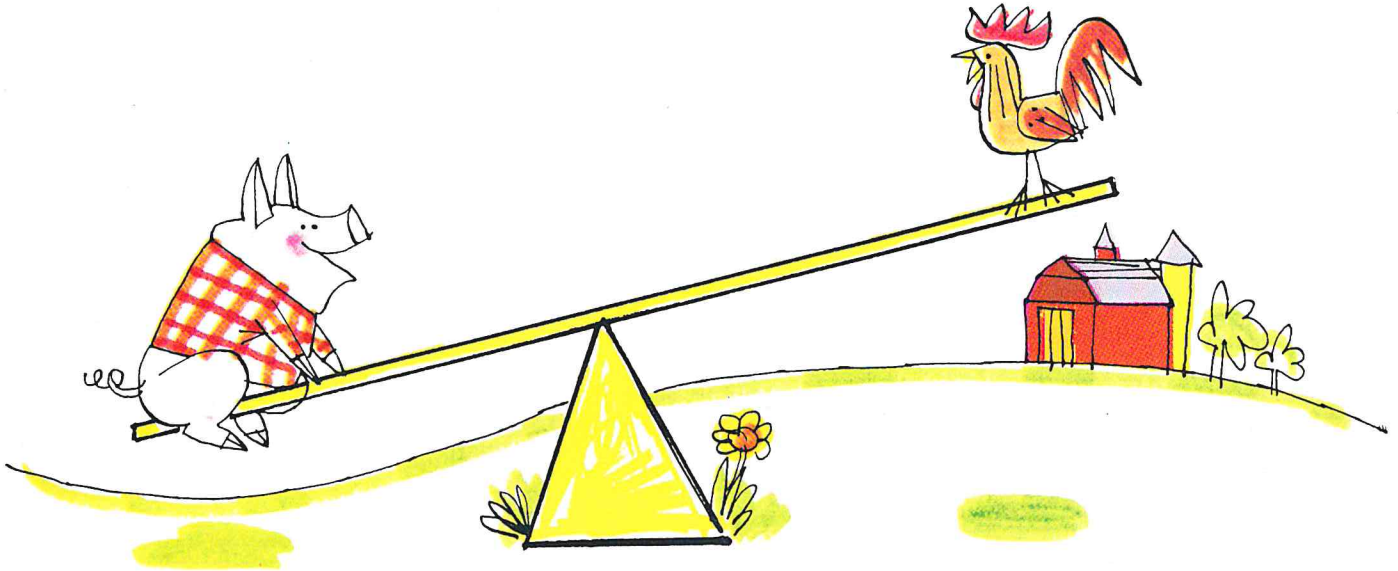

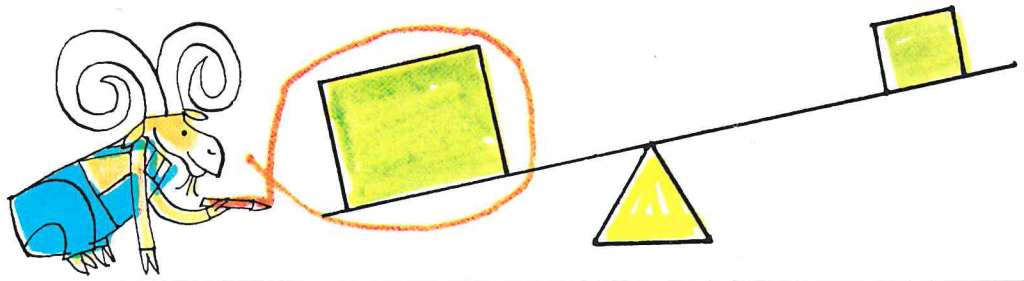

4 (four)

Tallest • Inside • Outside

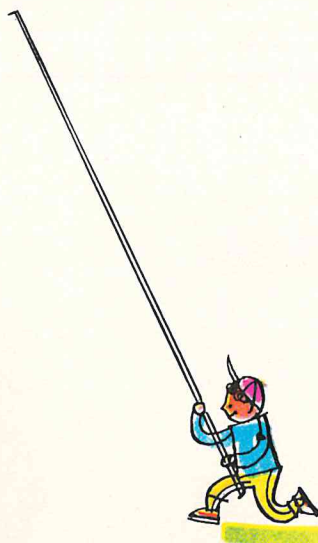

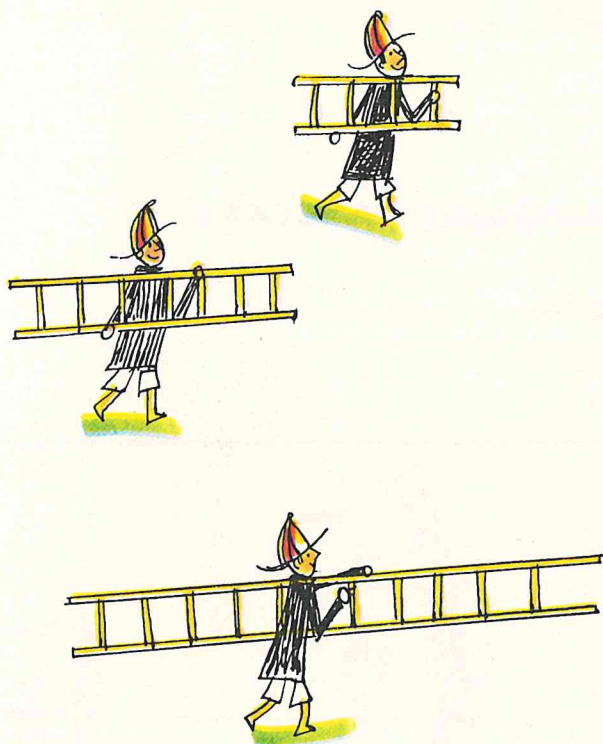

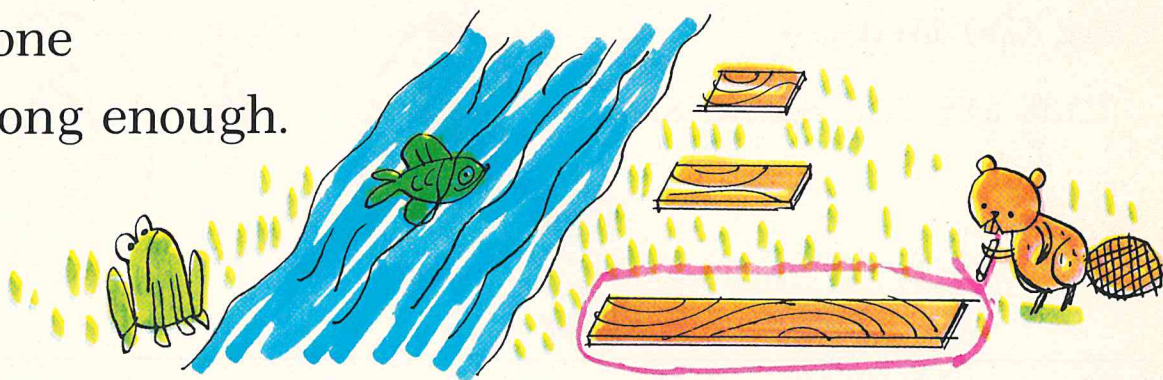

Ring the one
that is the right size.

Ring the heavier.

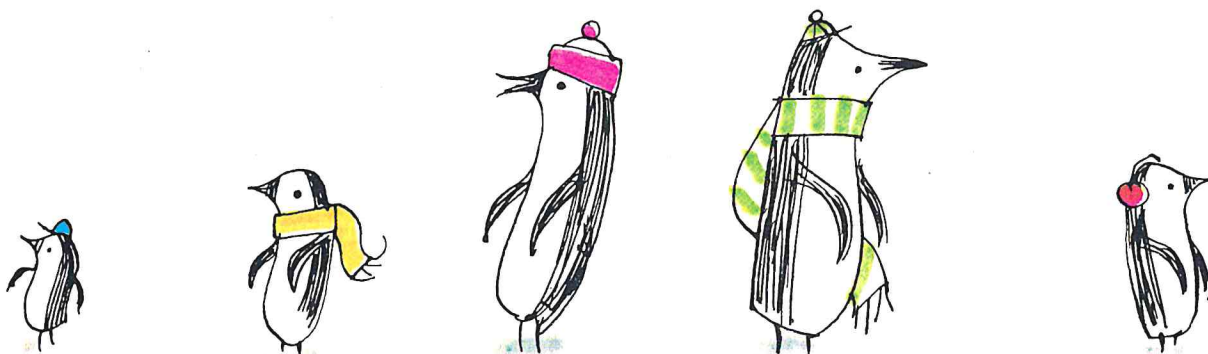

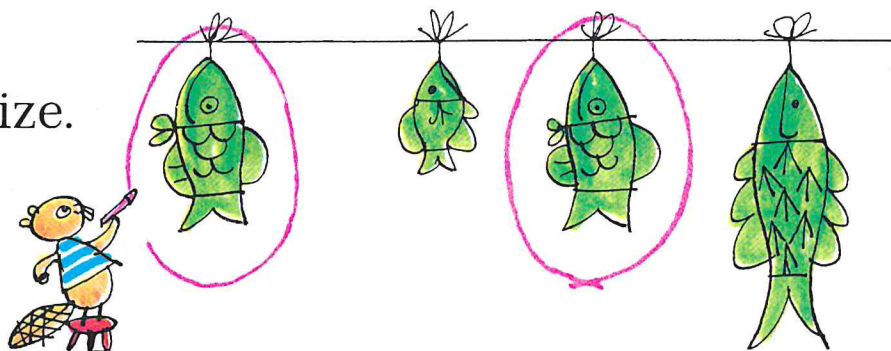

Ring the one
that is long enough.

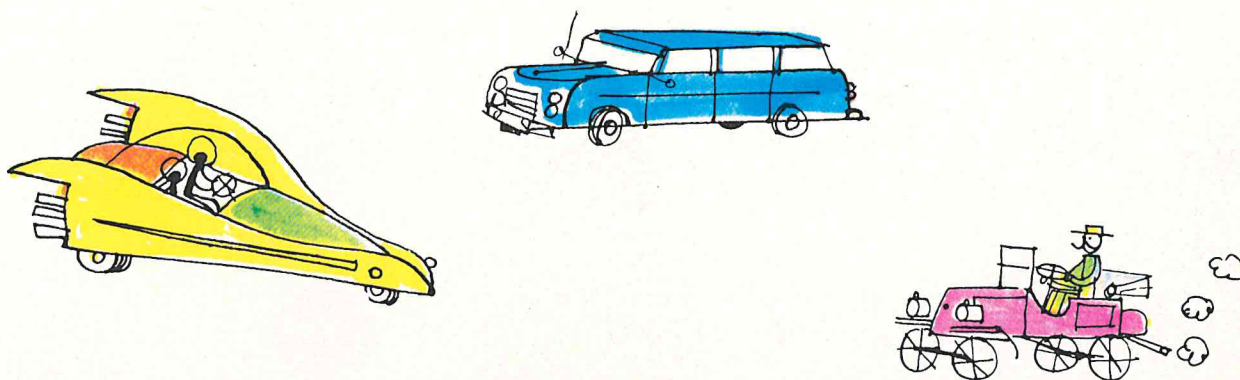

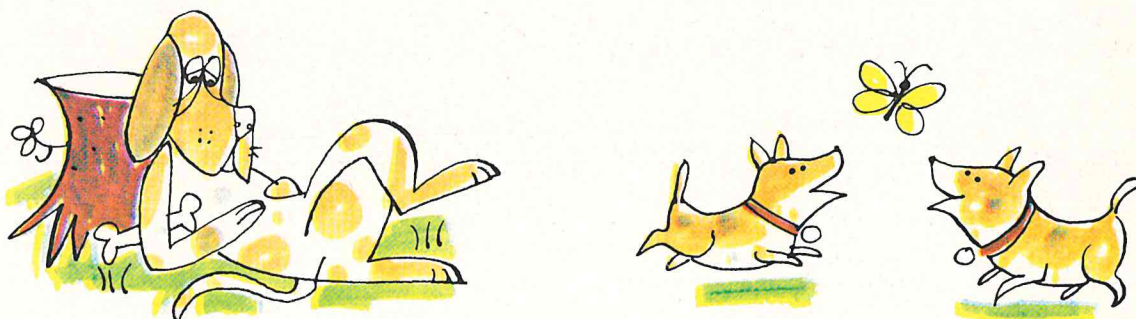

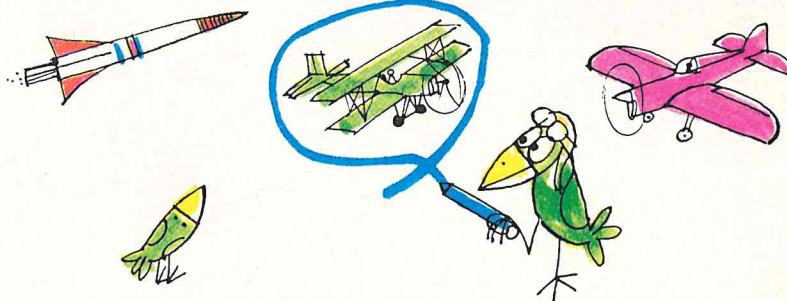

Comparing length

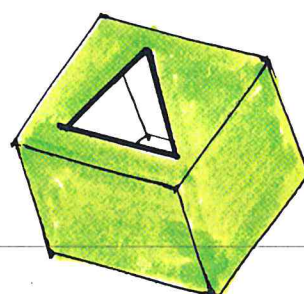

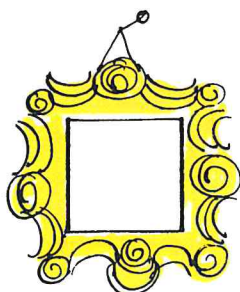

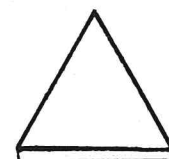

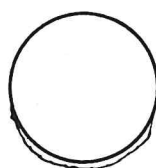

Ring the two
that are the same size.

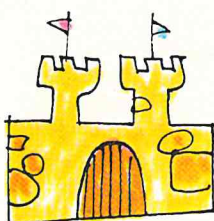

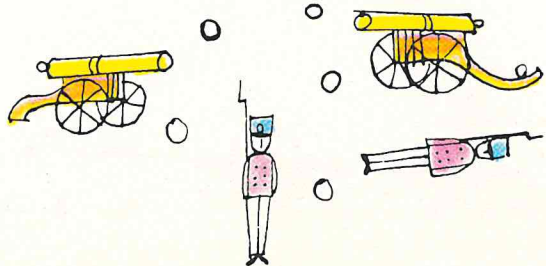

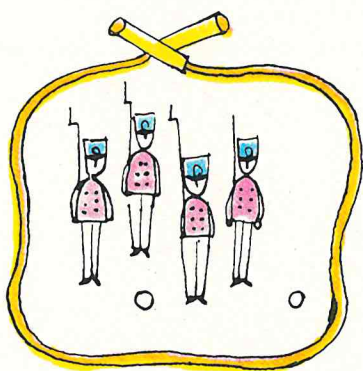

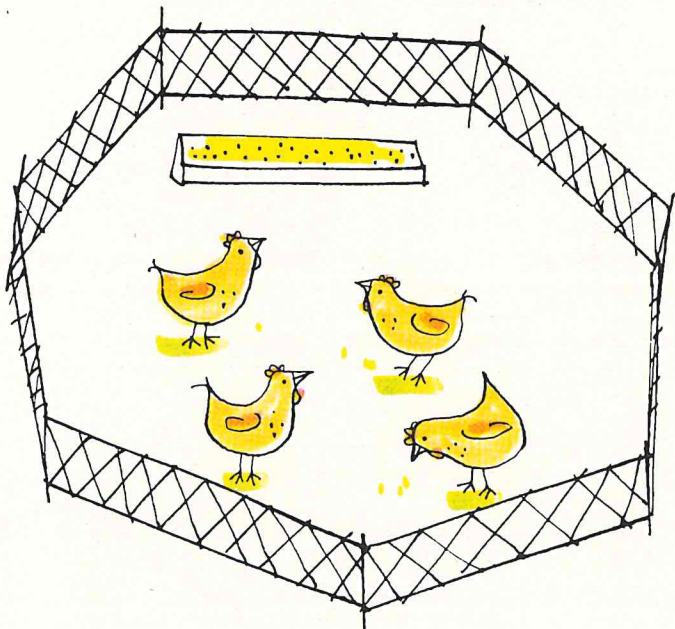

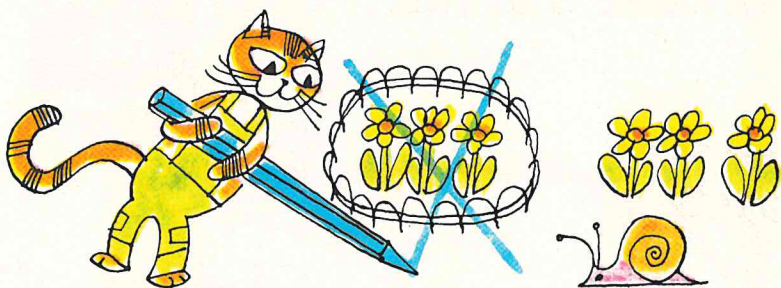

Ring the oldest.

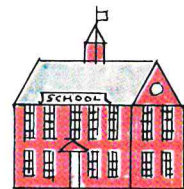

Ring the one that fits.

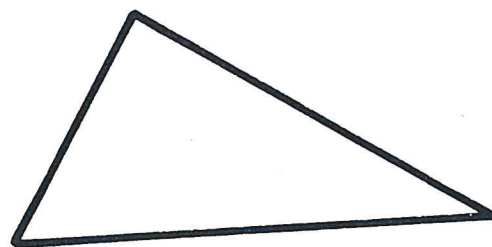

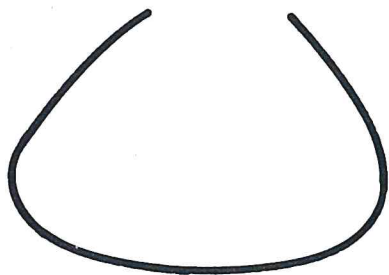

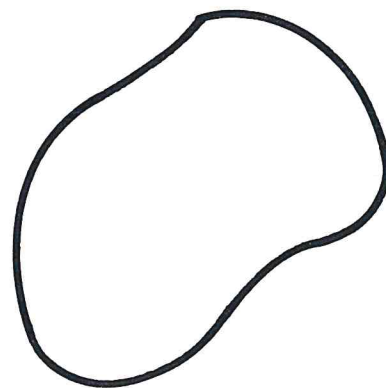

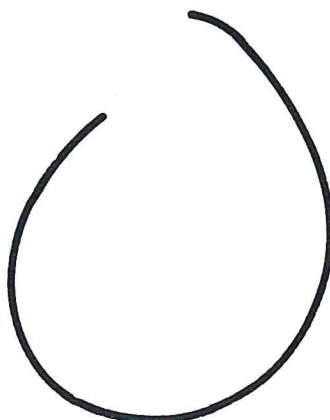

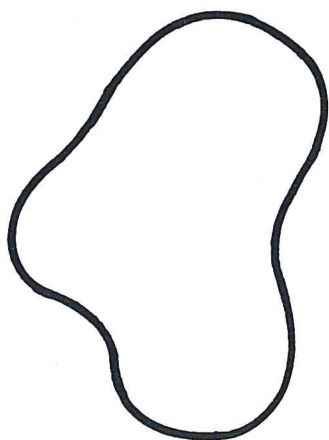

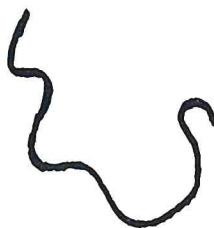

Mark the objects
that are inside
the closed curves.

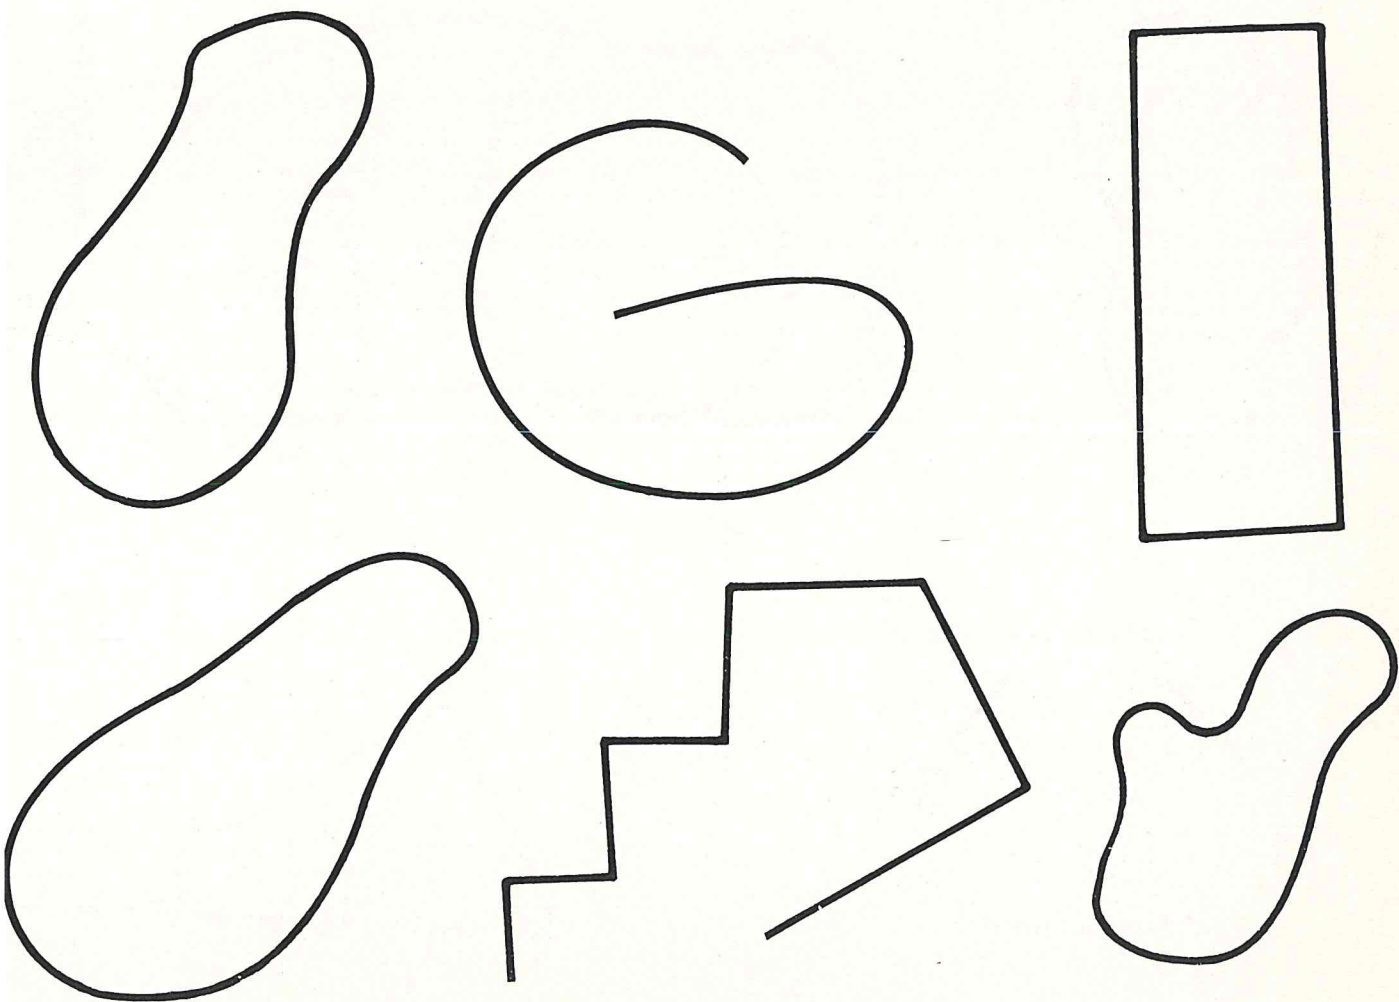

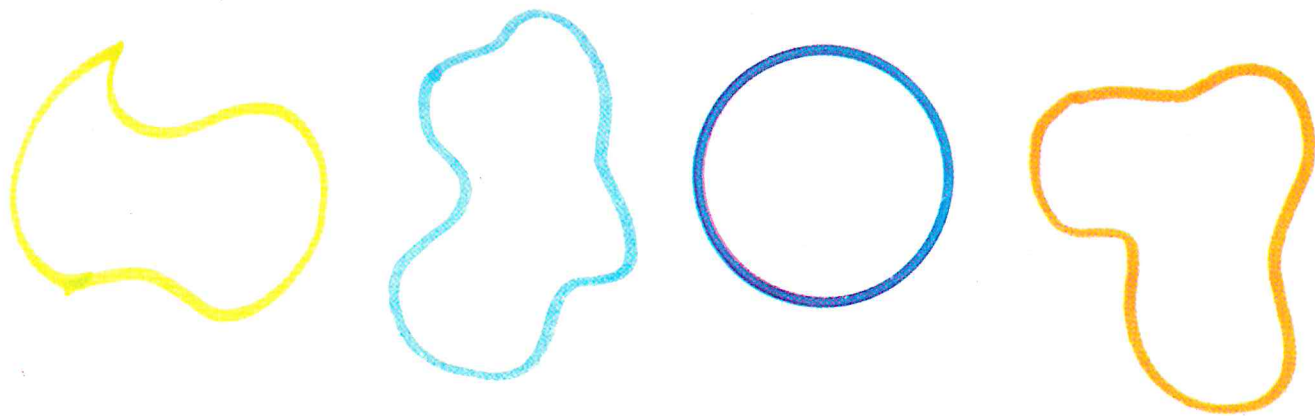

Color the inside
of the closed curves.

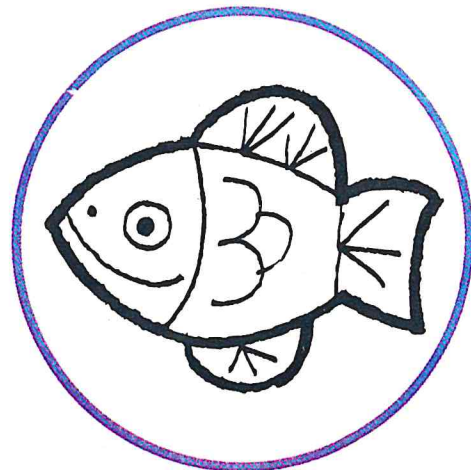

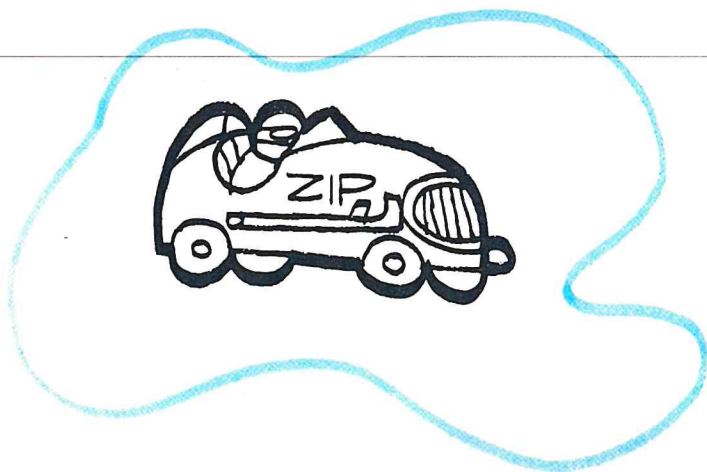

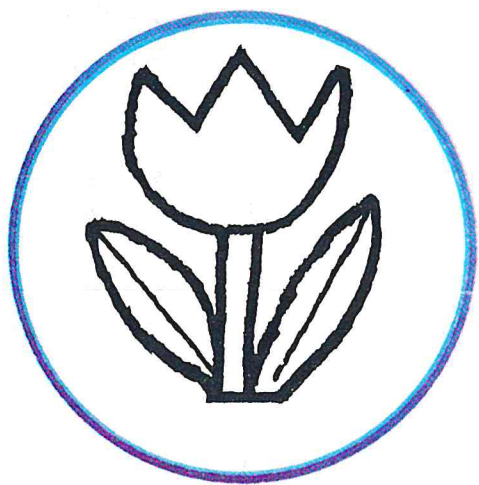

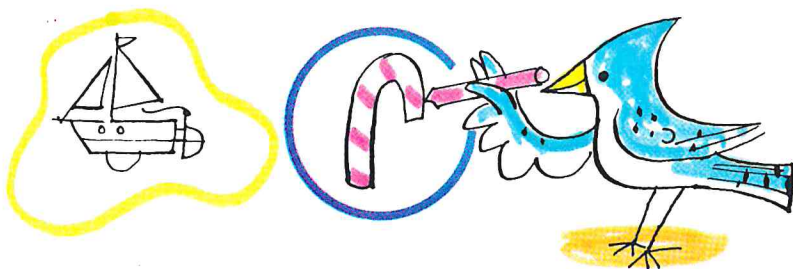

Color the inside
of the closed curves.

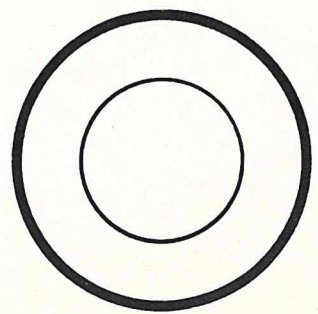

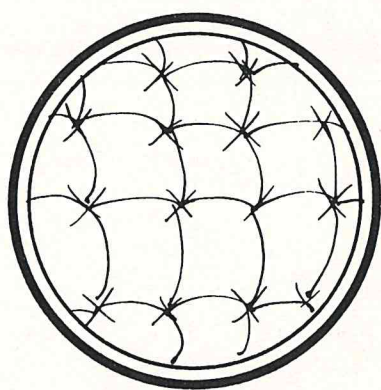

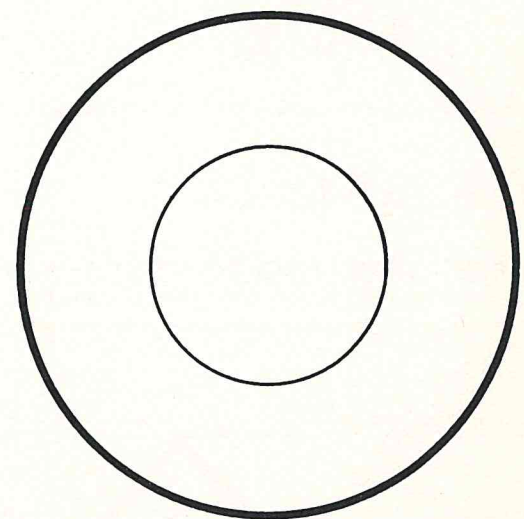

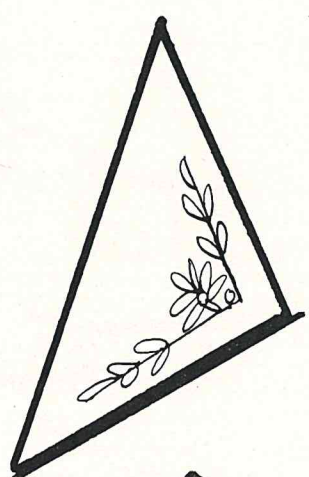

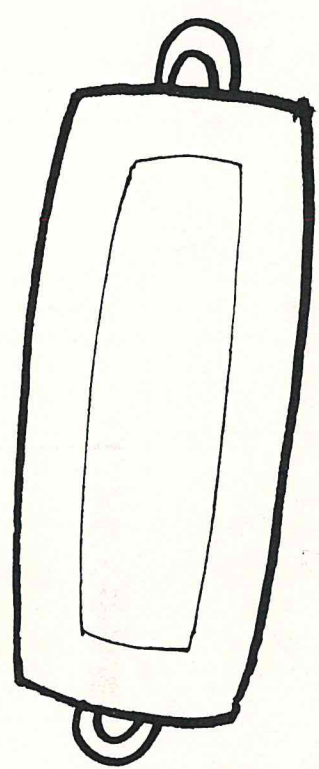

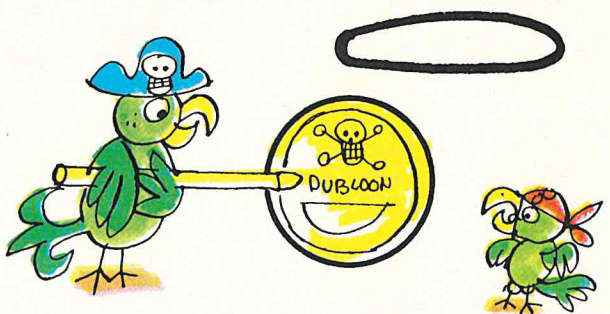

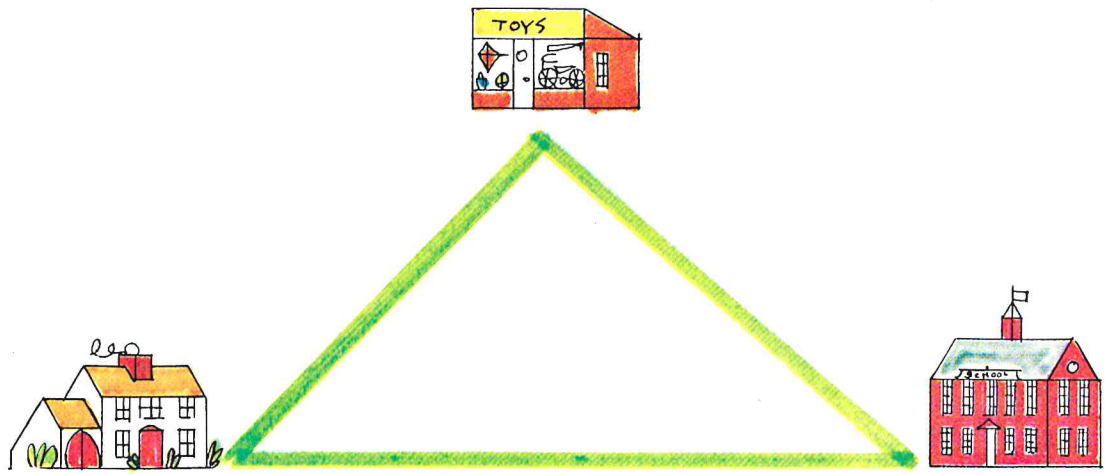

Color the objects
that are inside circles.

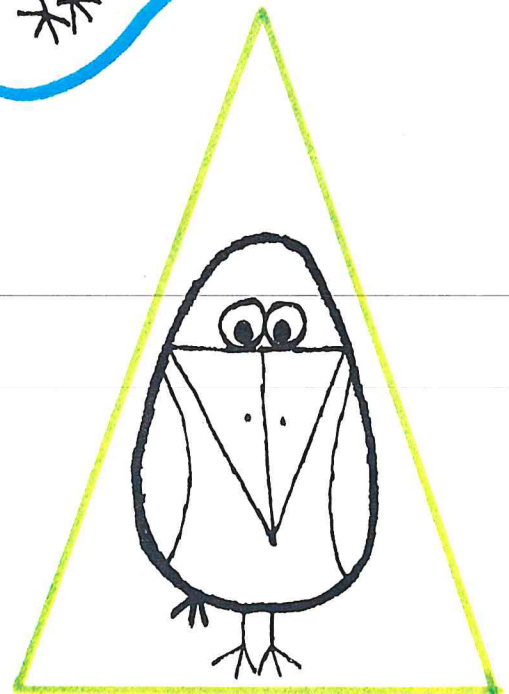

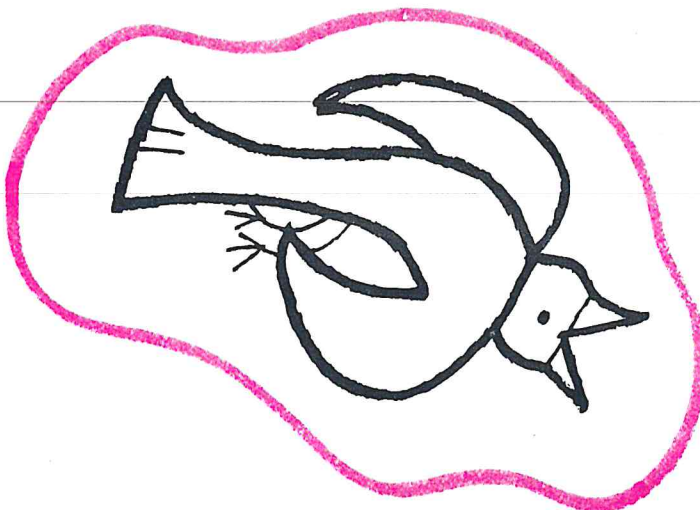

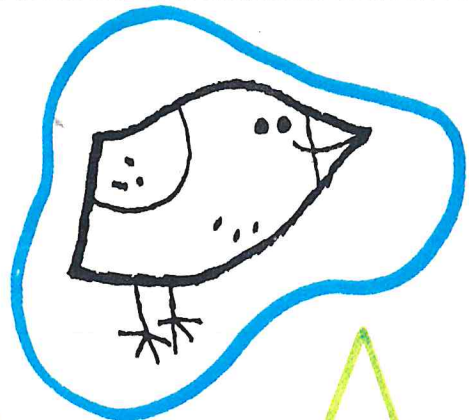

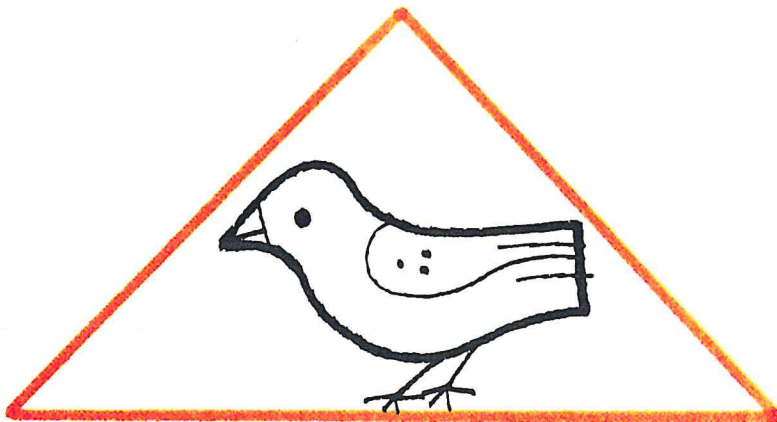

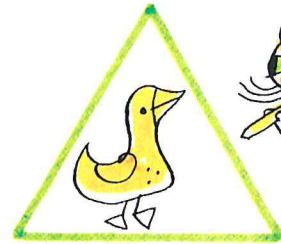

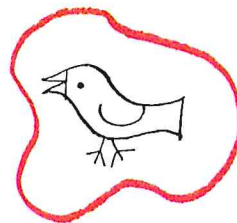

Color the objects
that are the shape
of a circle.

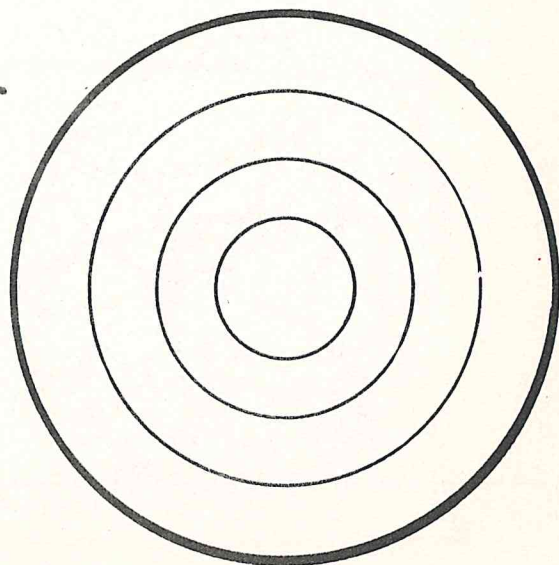

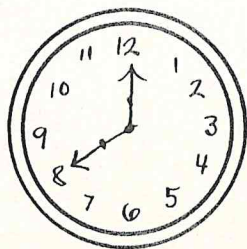

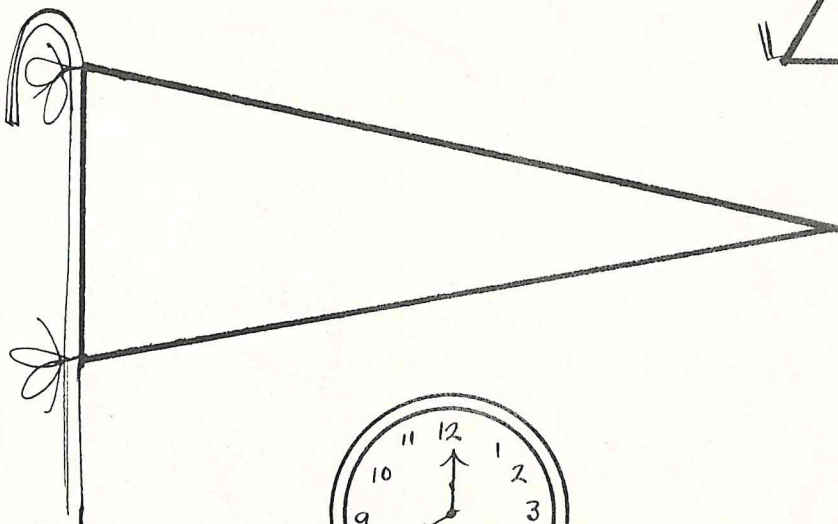

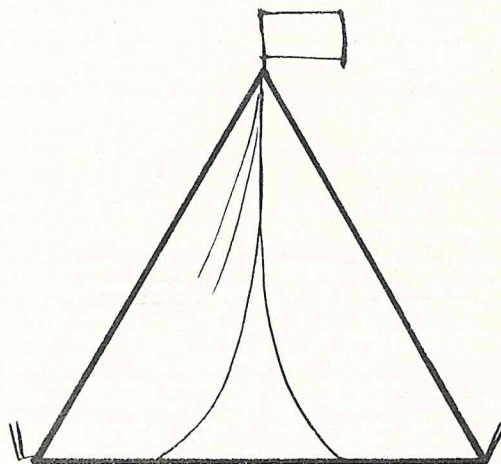

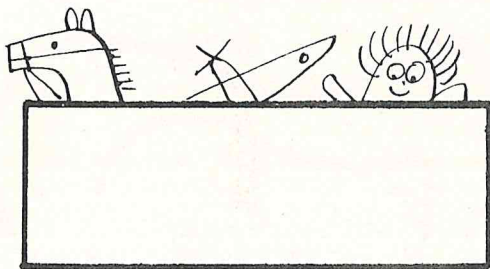

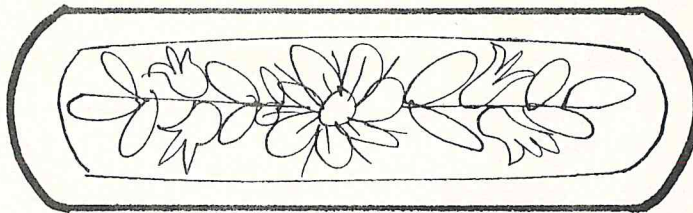

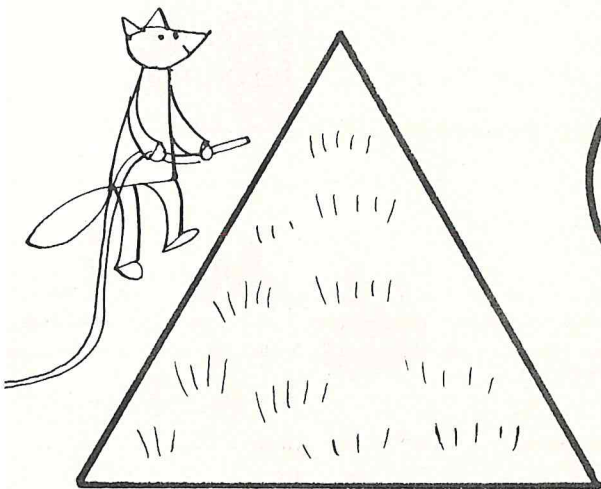

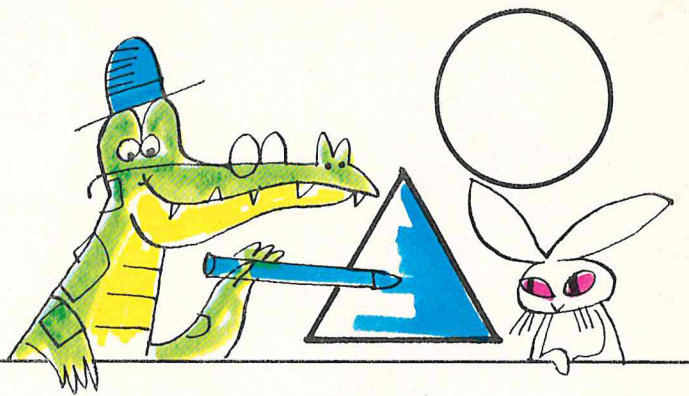

Color the birds
that are inside triangles.

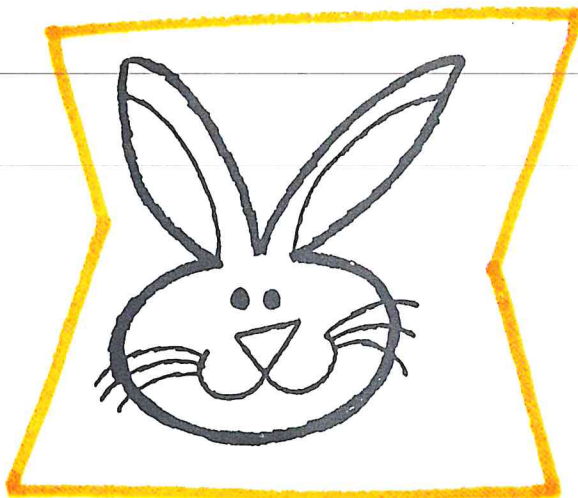

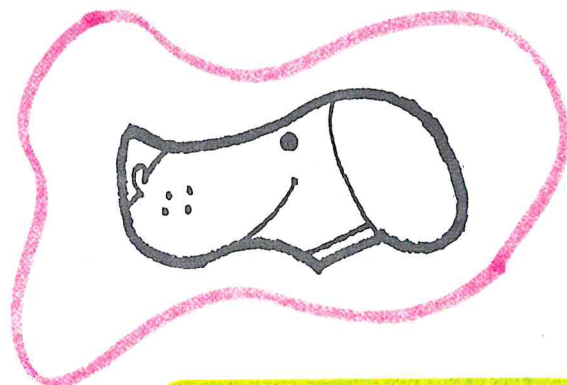

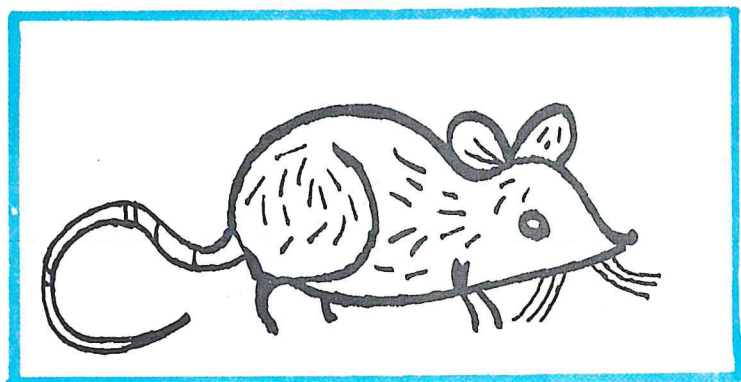

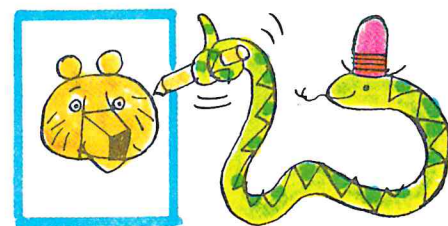

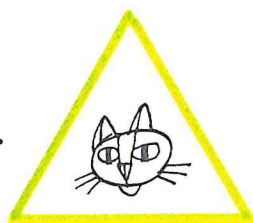

Color the objects
that are the shape
of a triangle.

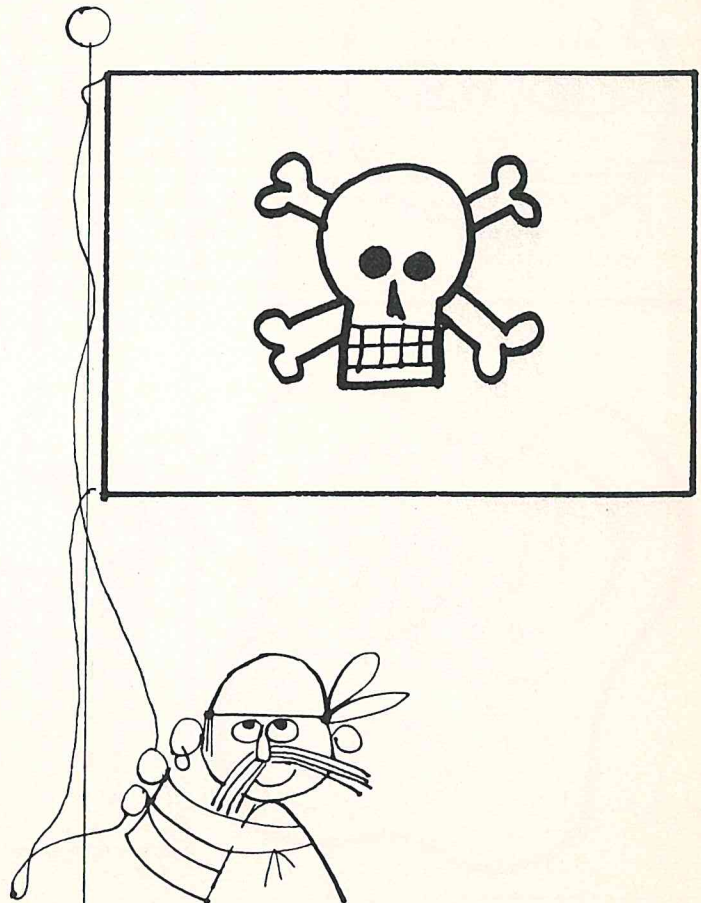

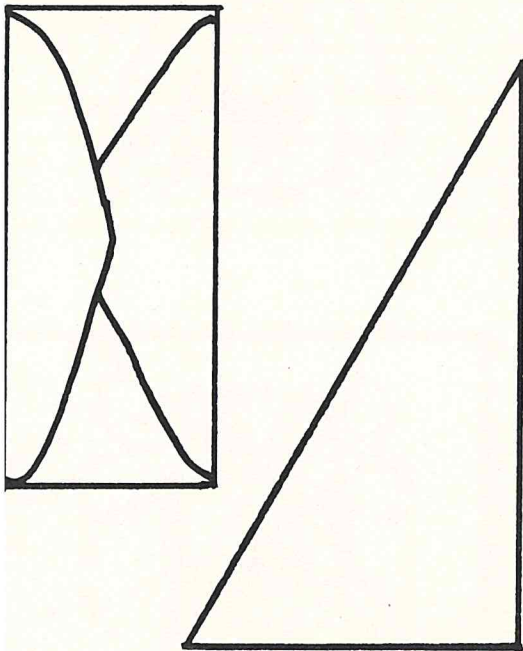

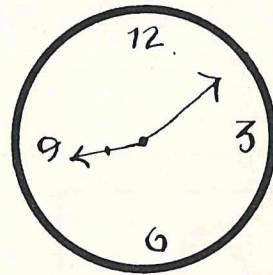

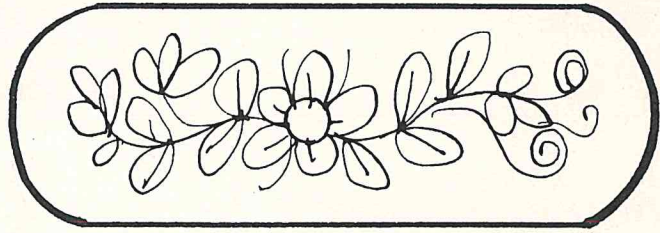

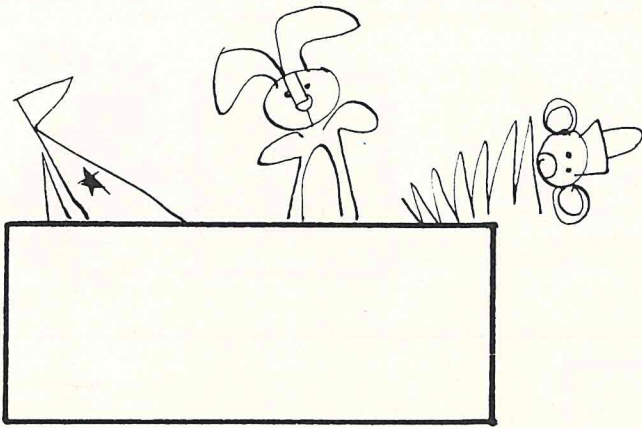

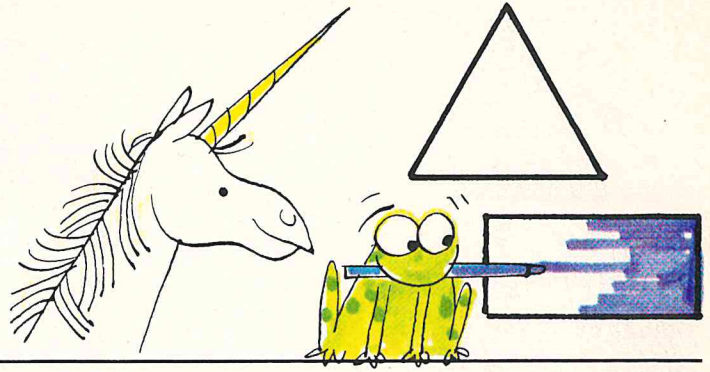

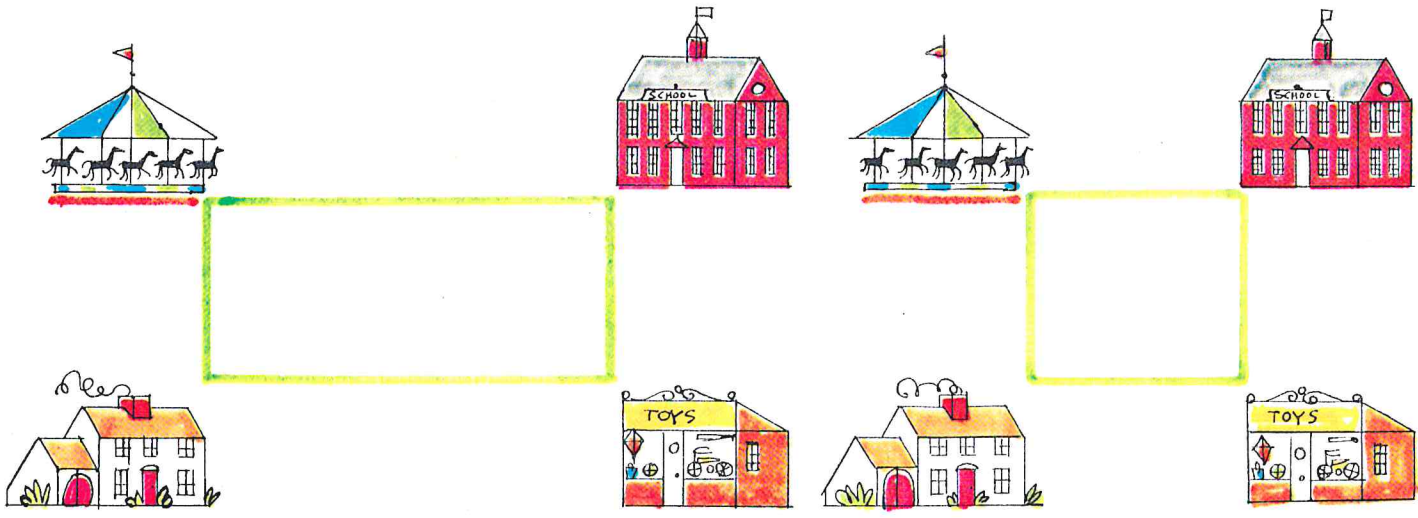

Color the animals
that are inside rectangles.

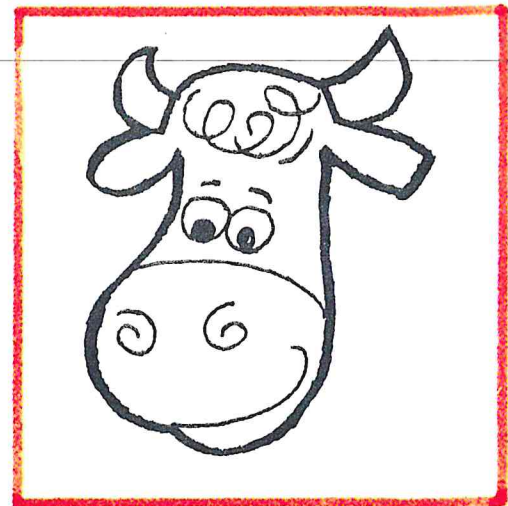

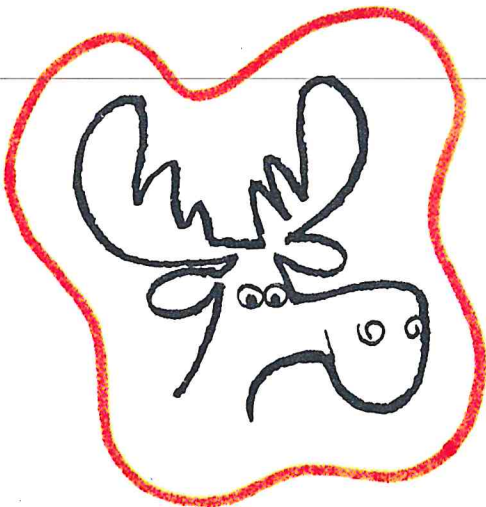

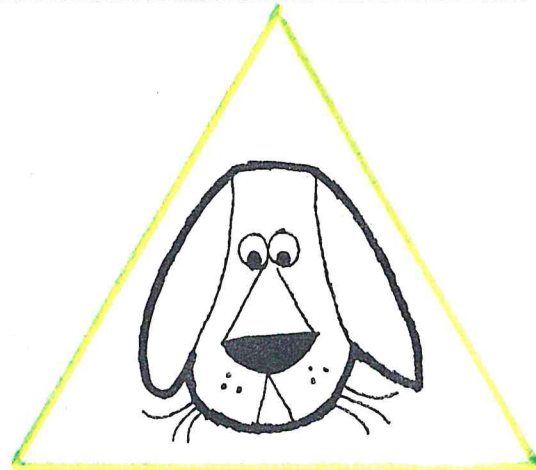

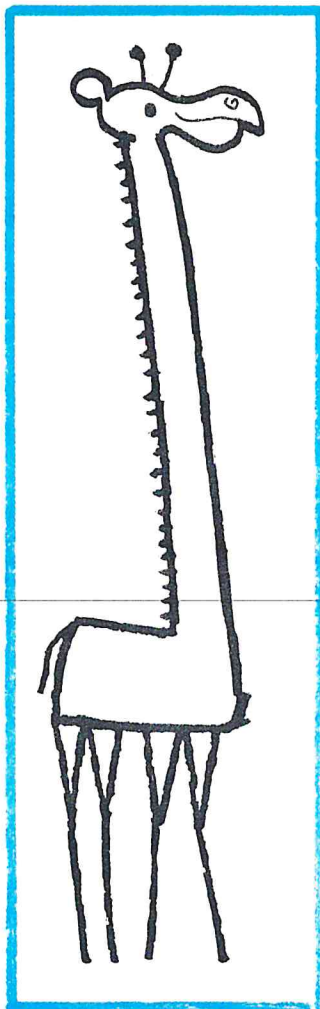

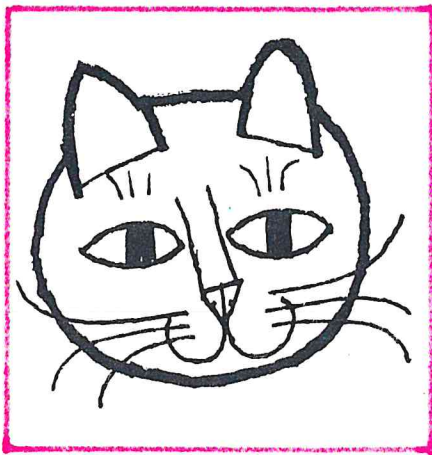

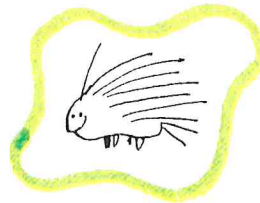

Color the objects
that are the shape
of a rectangle.

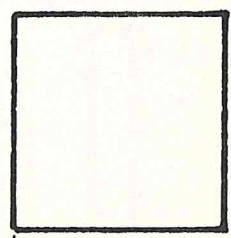

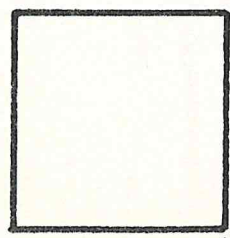

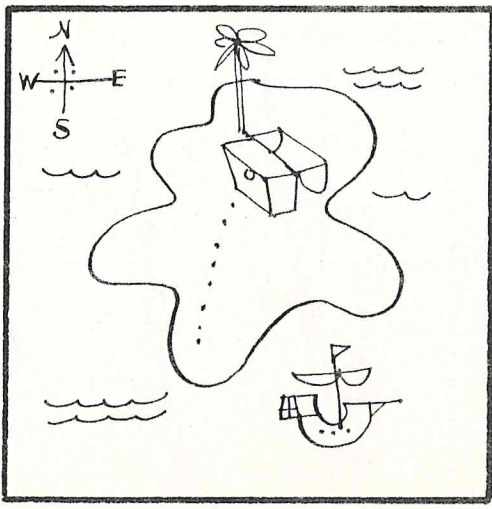

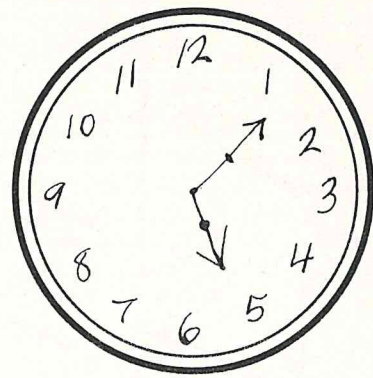

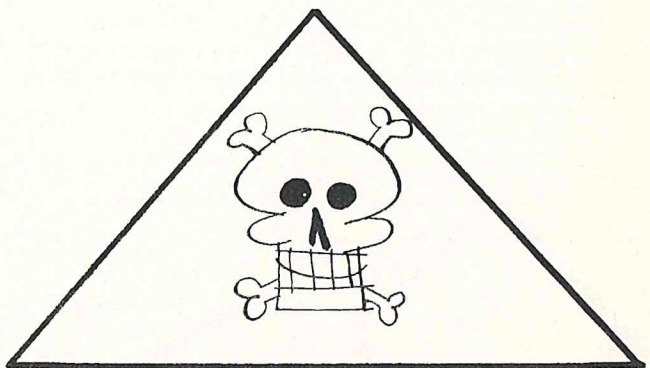

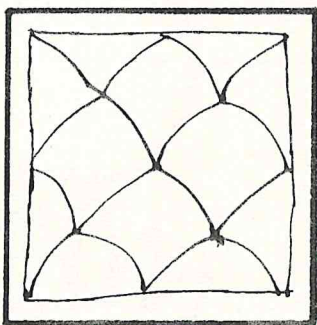

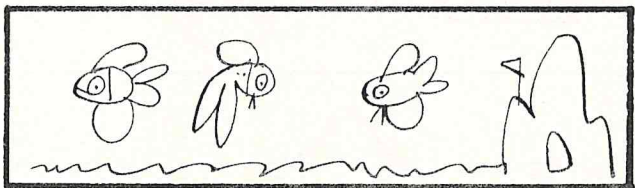

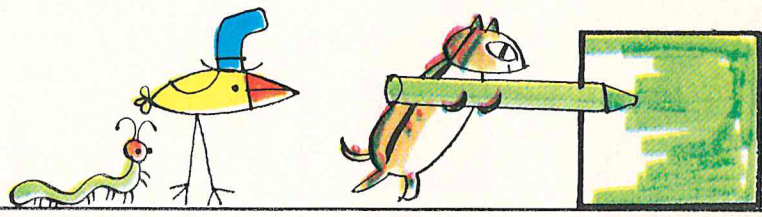

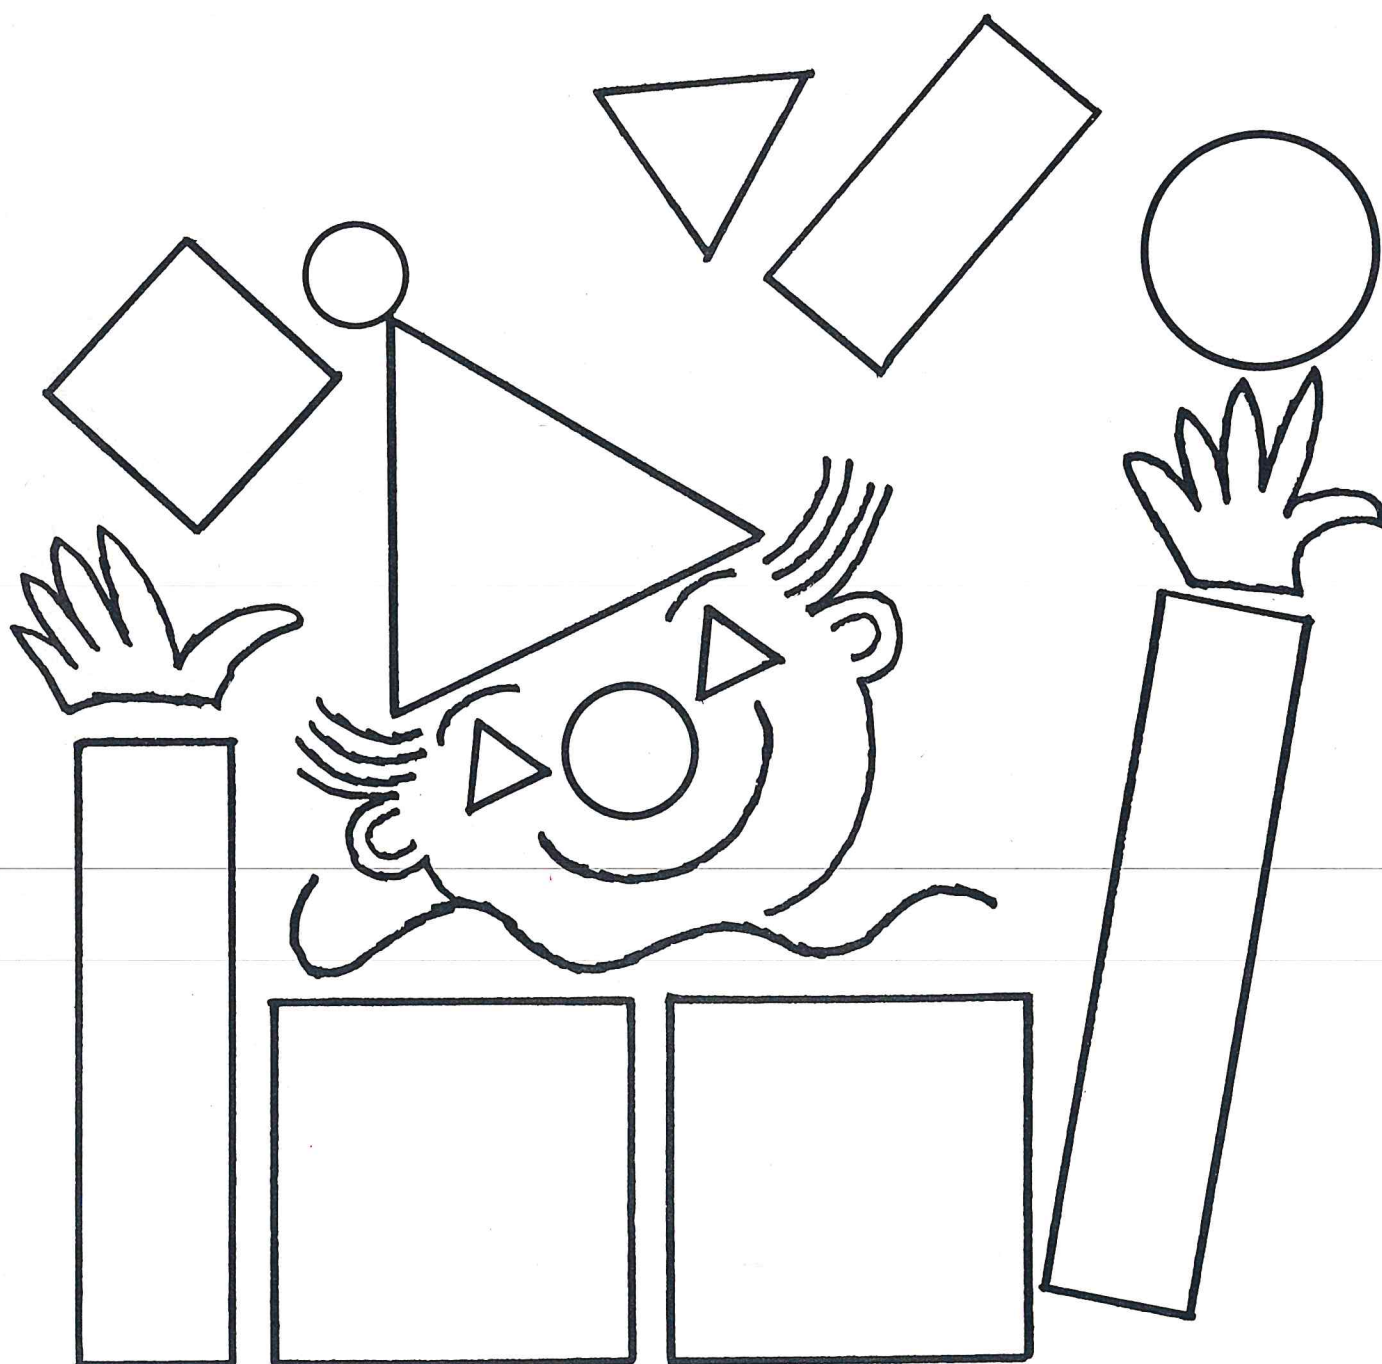

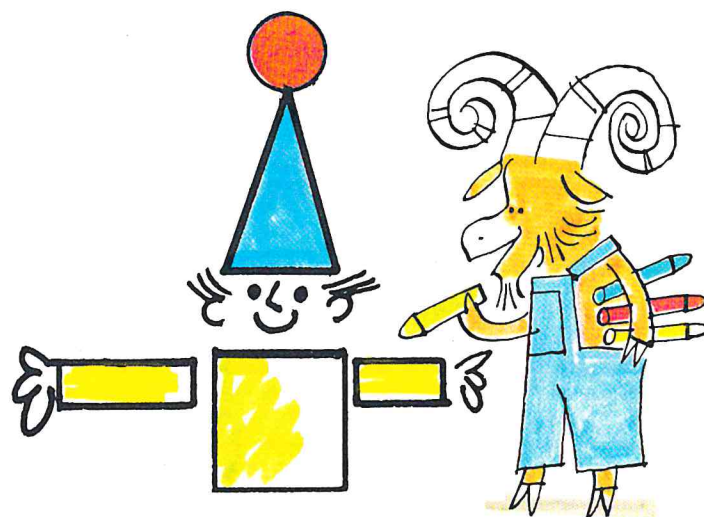

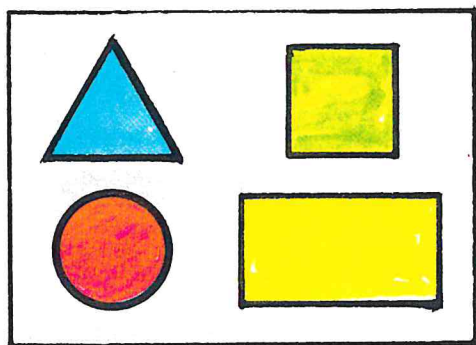

Color the animals
that are inside squares.

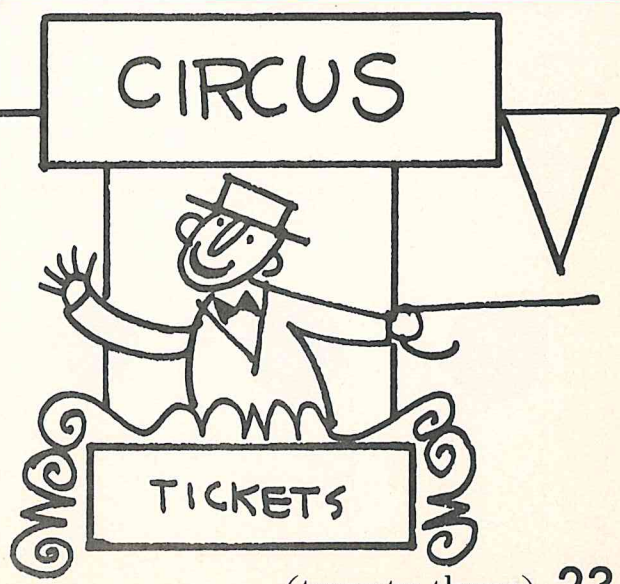

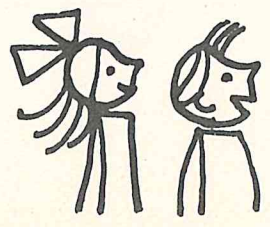

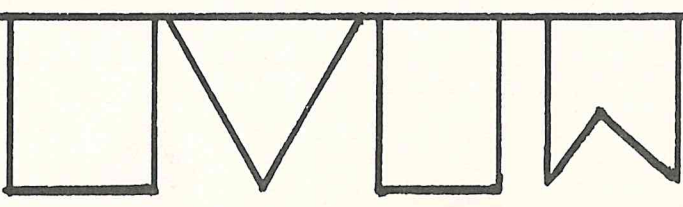

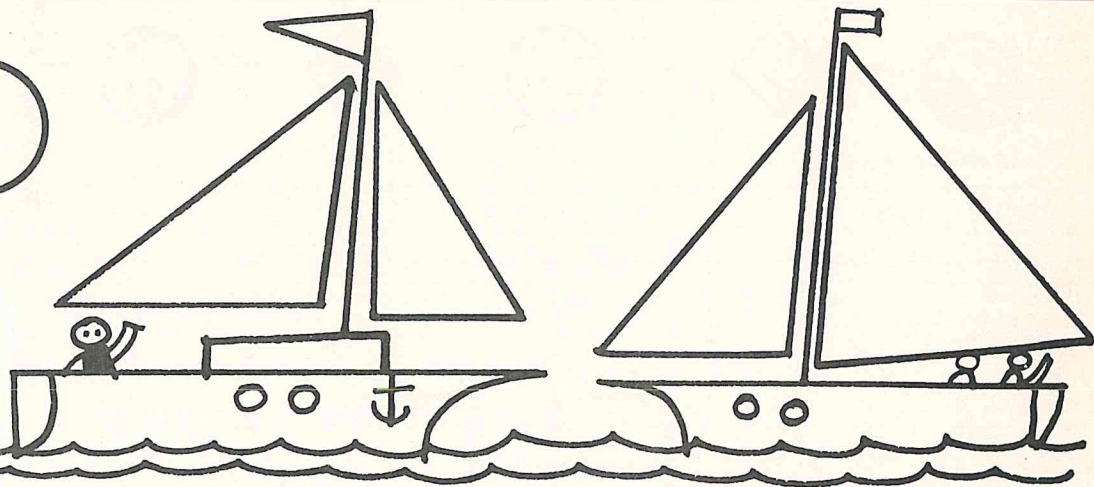

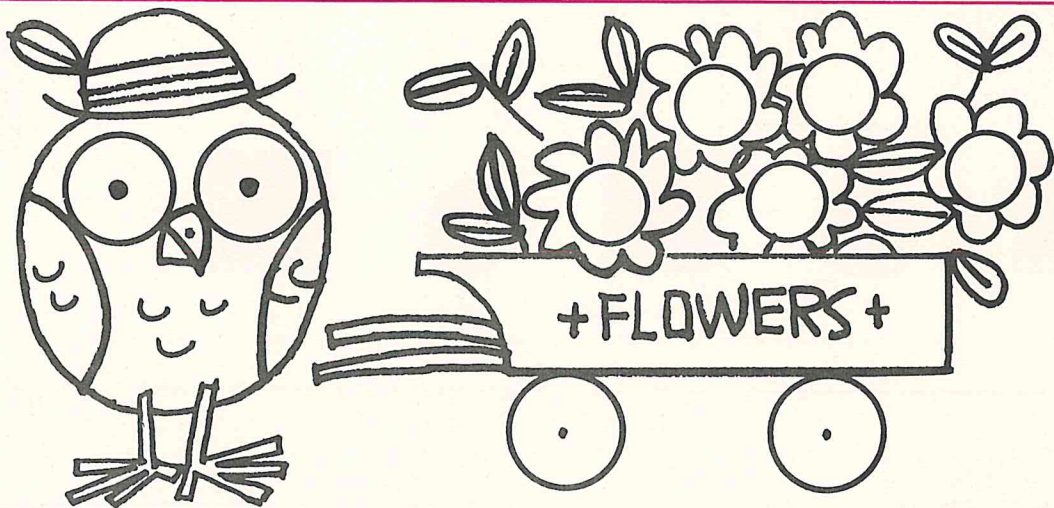

Color the objects
that are the shape
of a square.

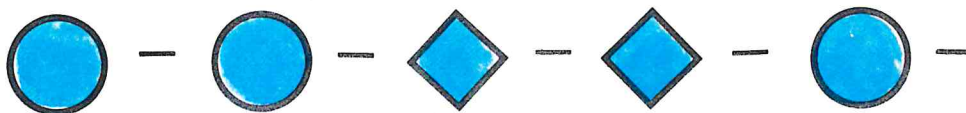

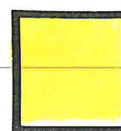

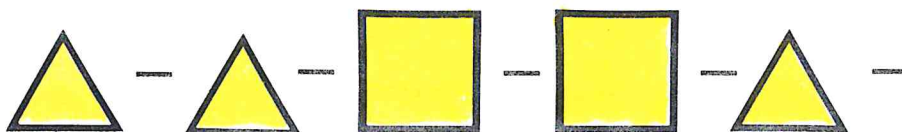

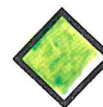

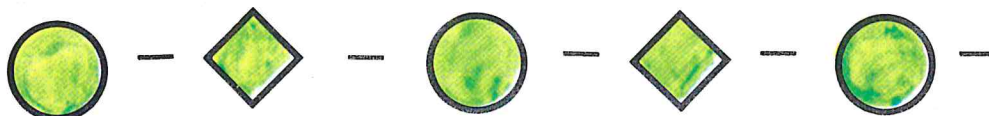

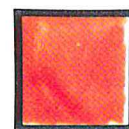

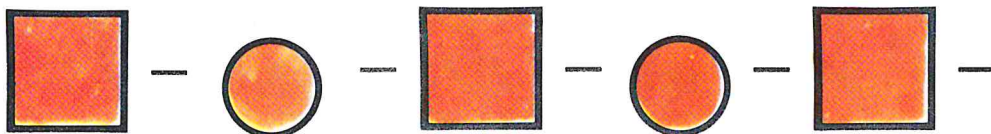

Color the shapes
that match.

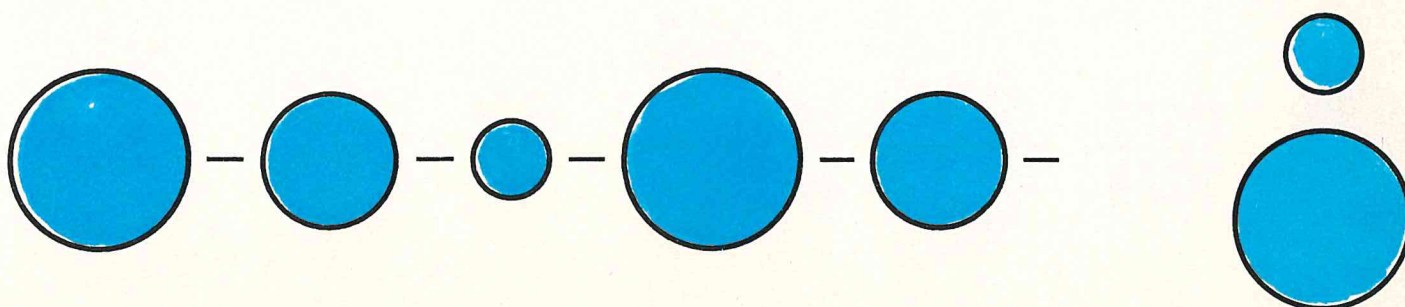

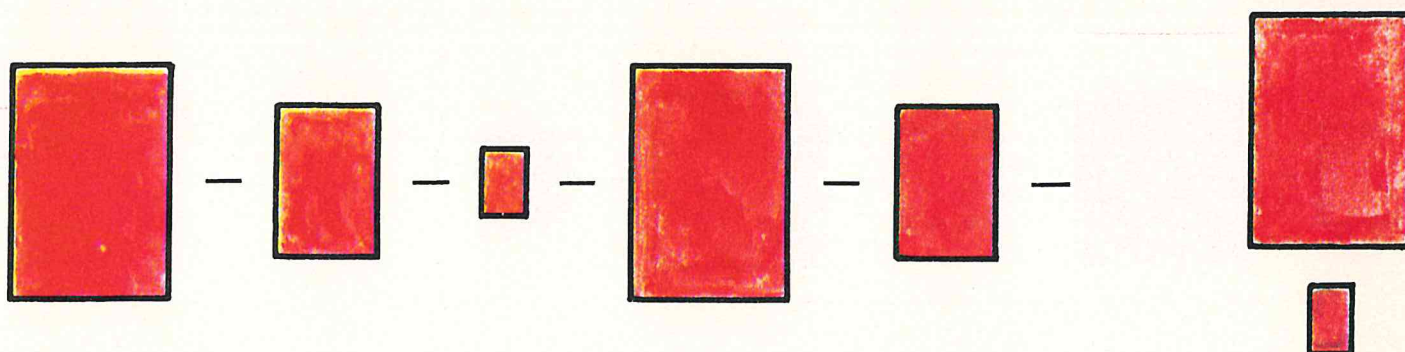

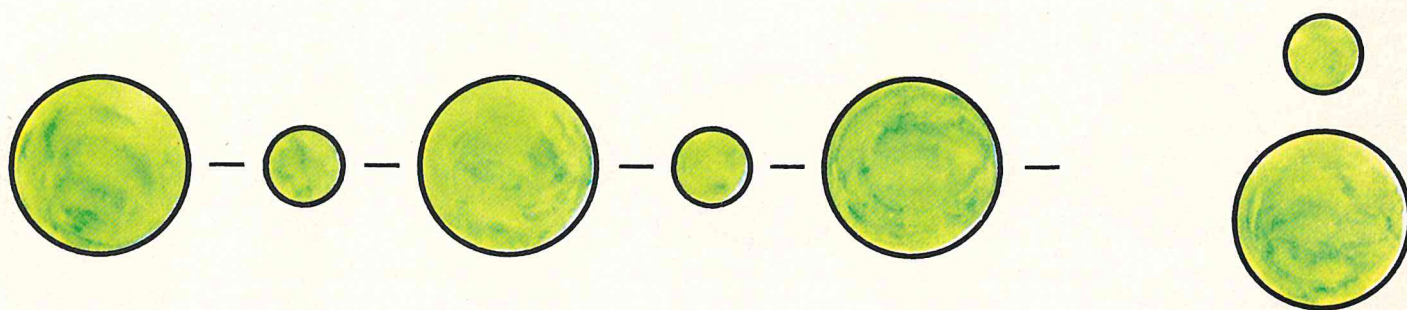

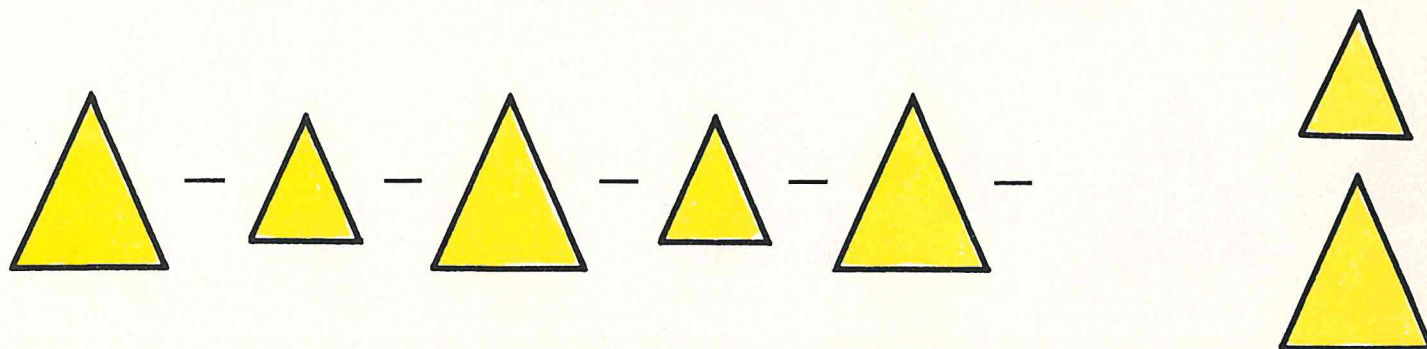

Color the shapes
that match.

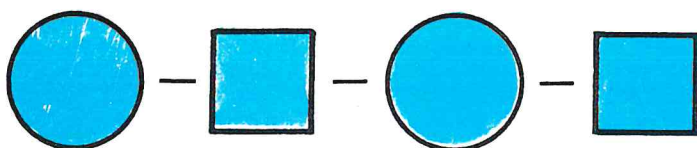

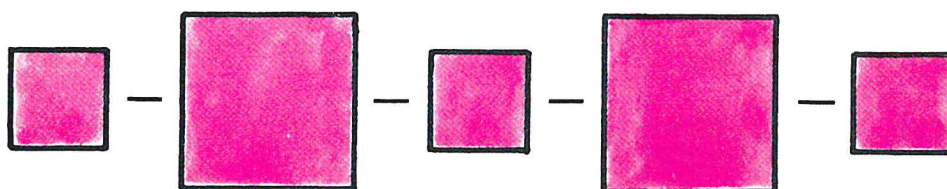

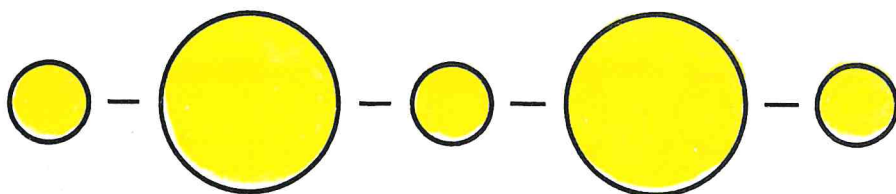

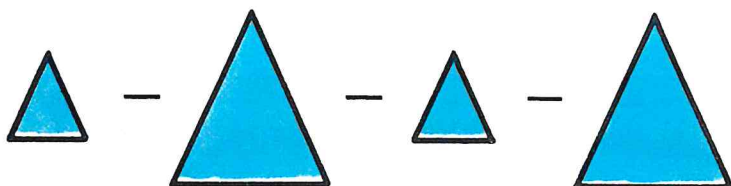

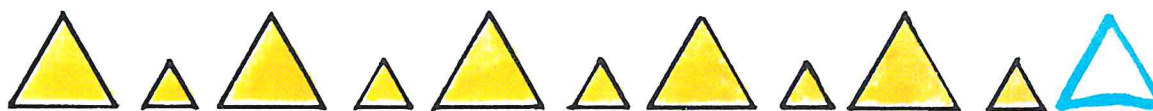

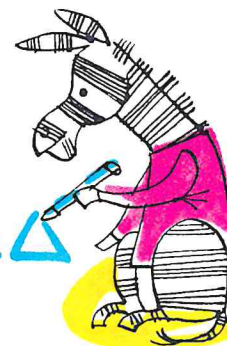

Complete the patterns.

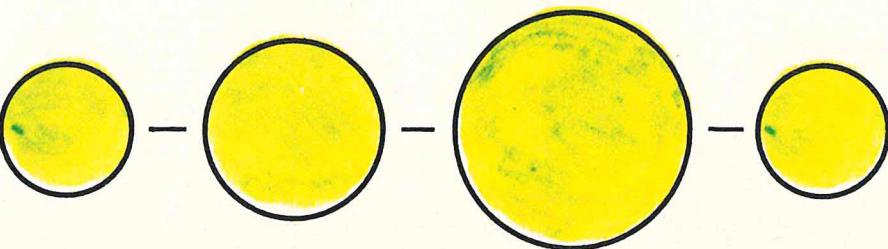

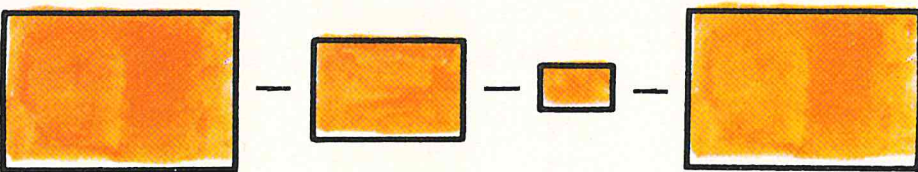

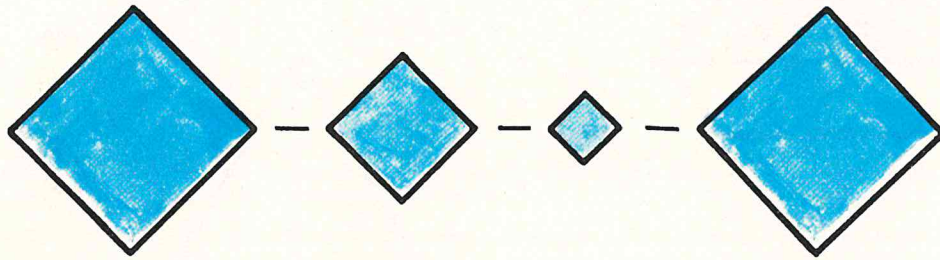

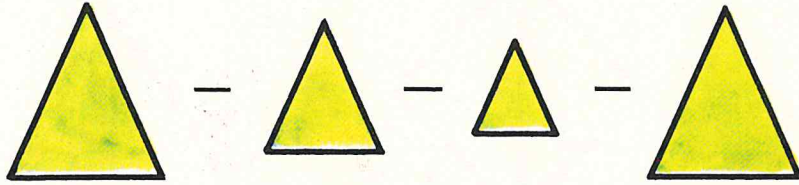

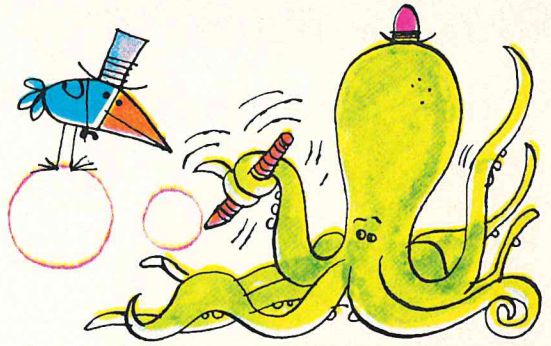

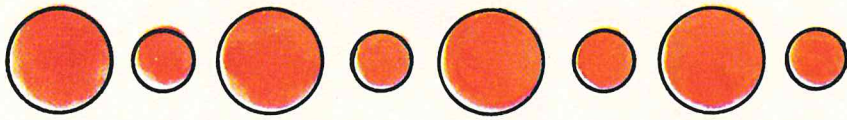

Complete the patterns.

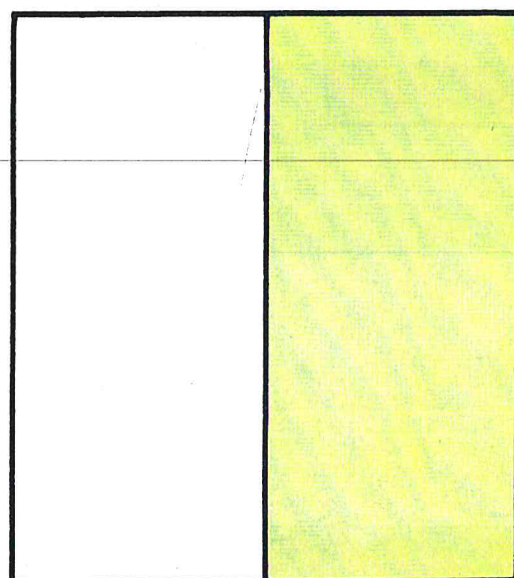

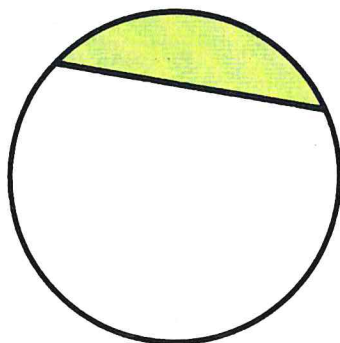

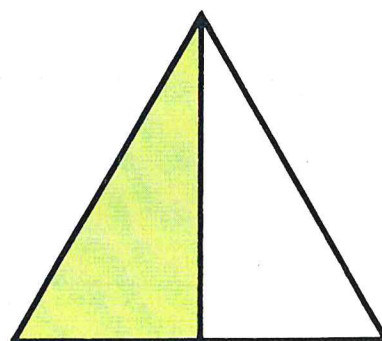

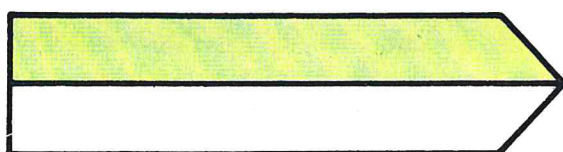

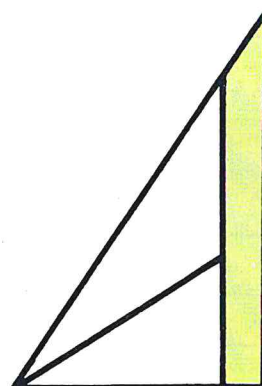

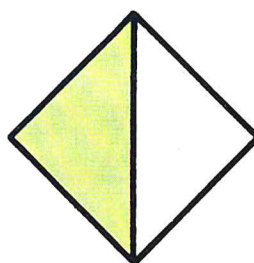

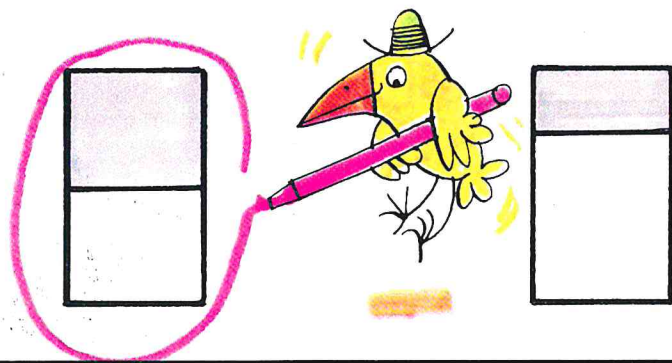

Complete the patterns.

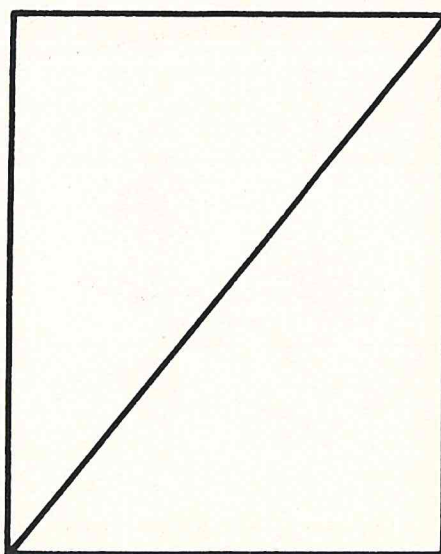

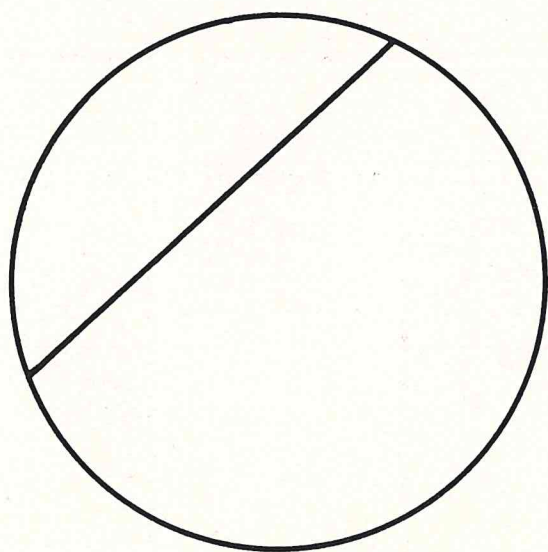

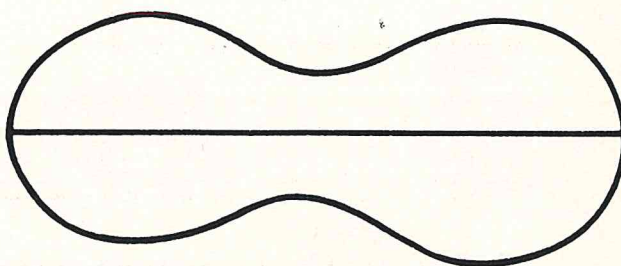

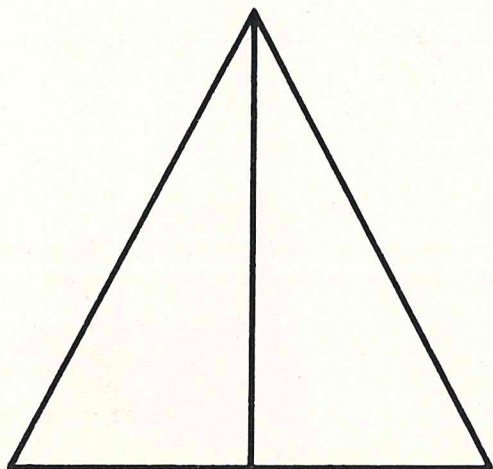

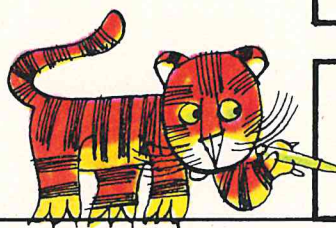

Complete the patterns.

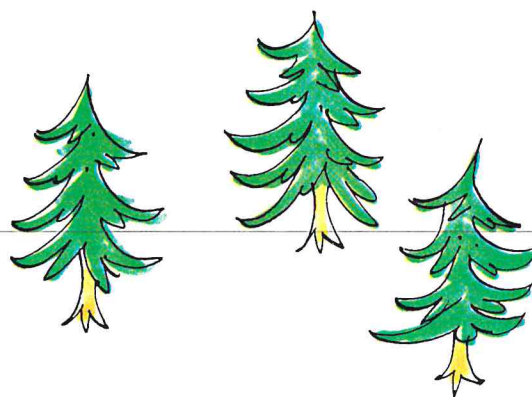

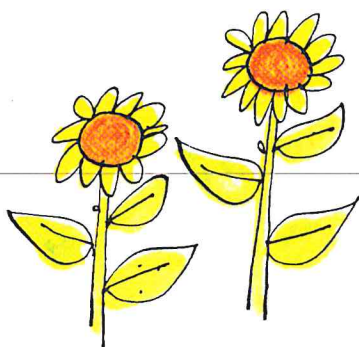

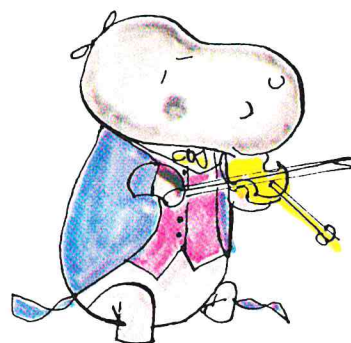

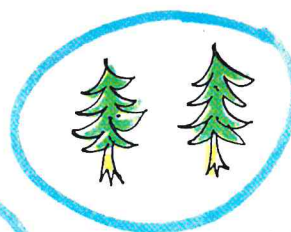

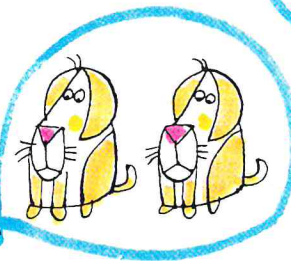

Ring the figure
that has one half shaded.

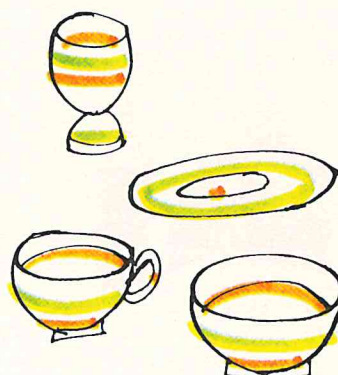

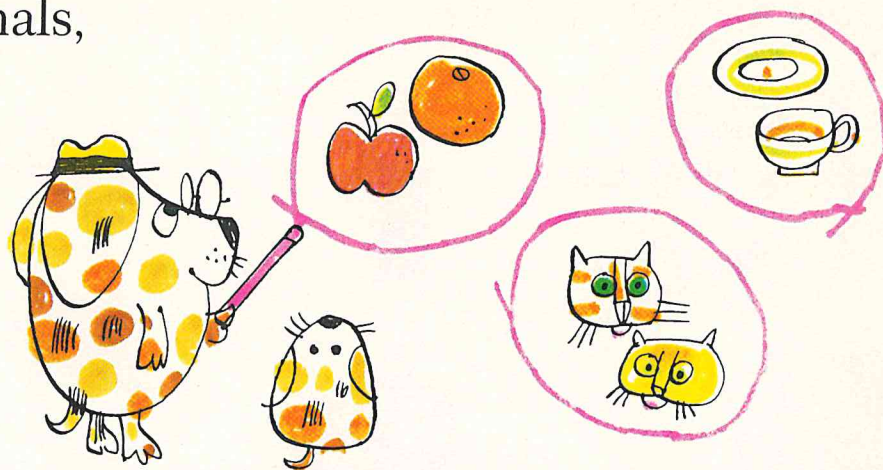

Color one half
if the shape is separated
into halves.

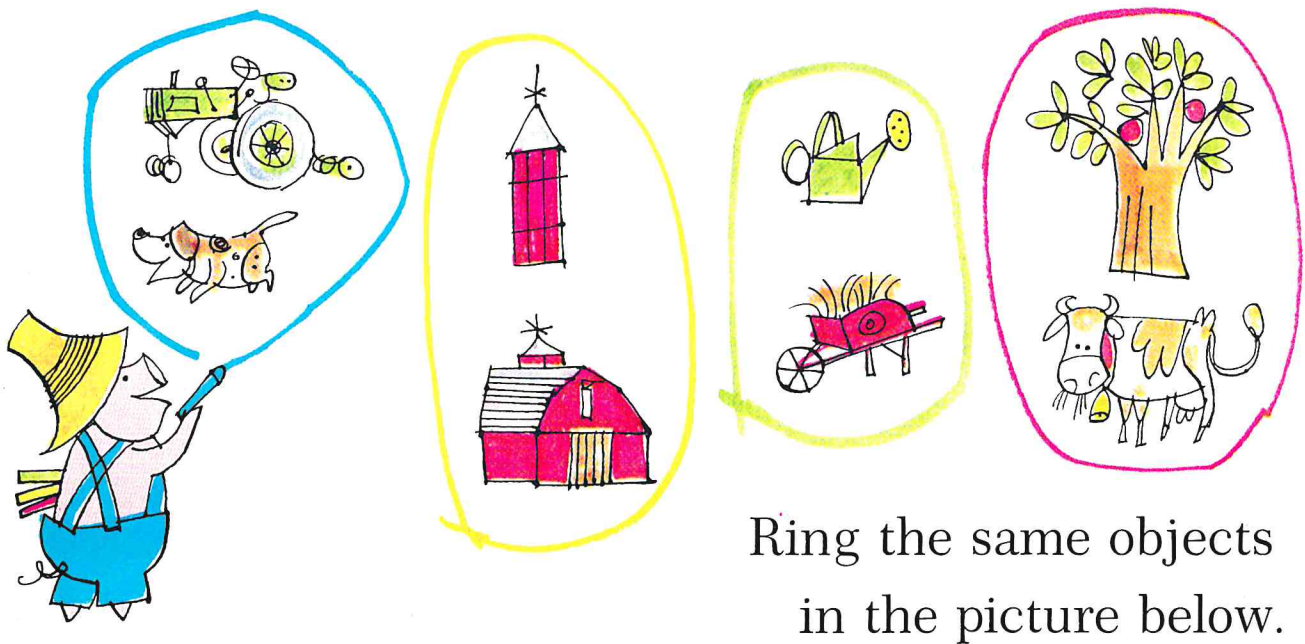

Ring the set of trees,
the set of flowers,
the set of dogs.

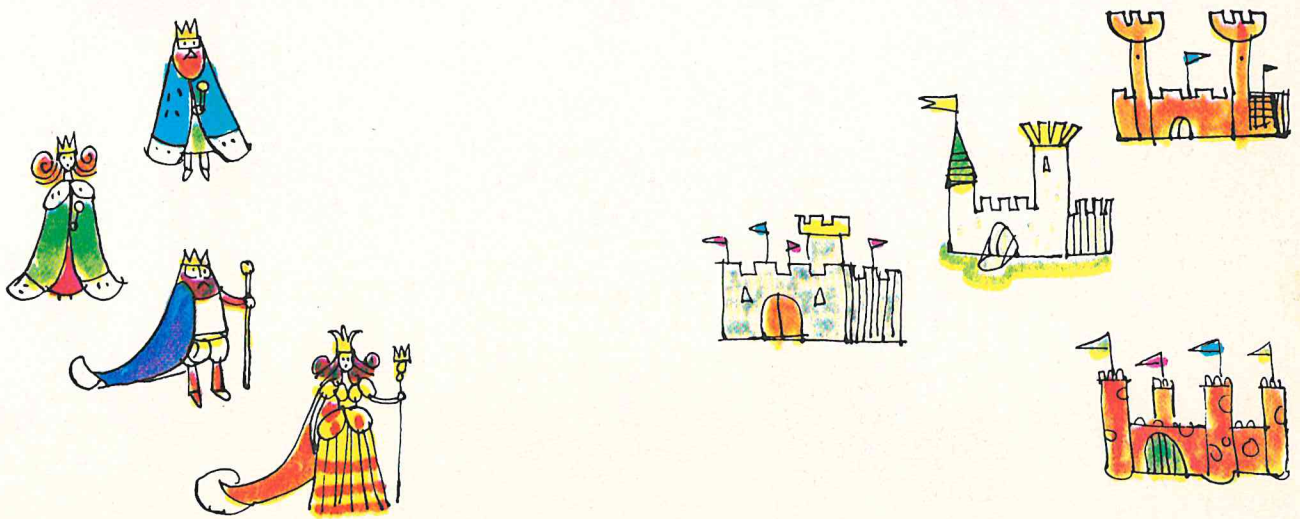

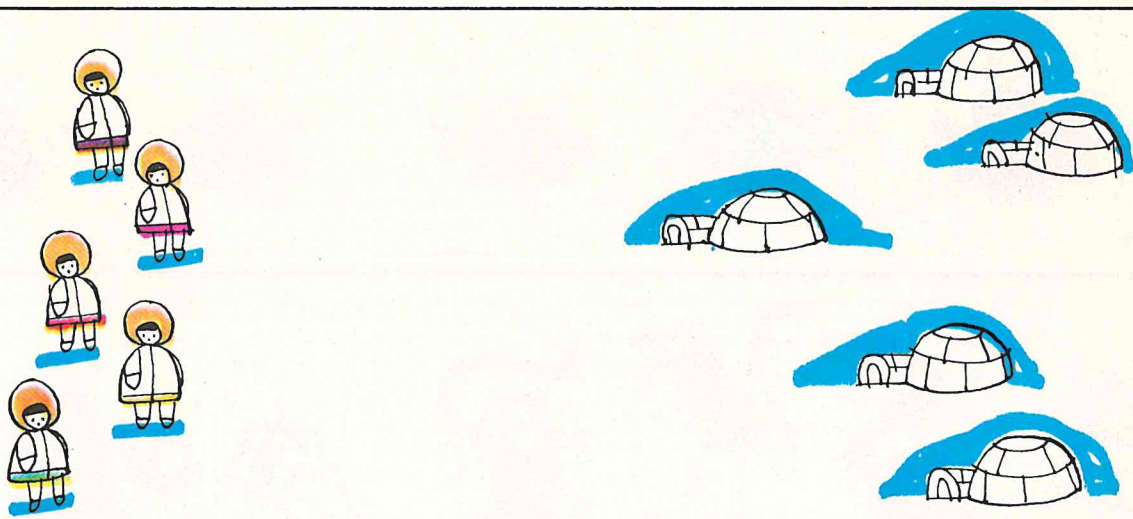

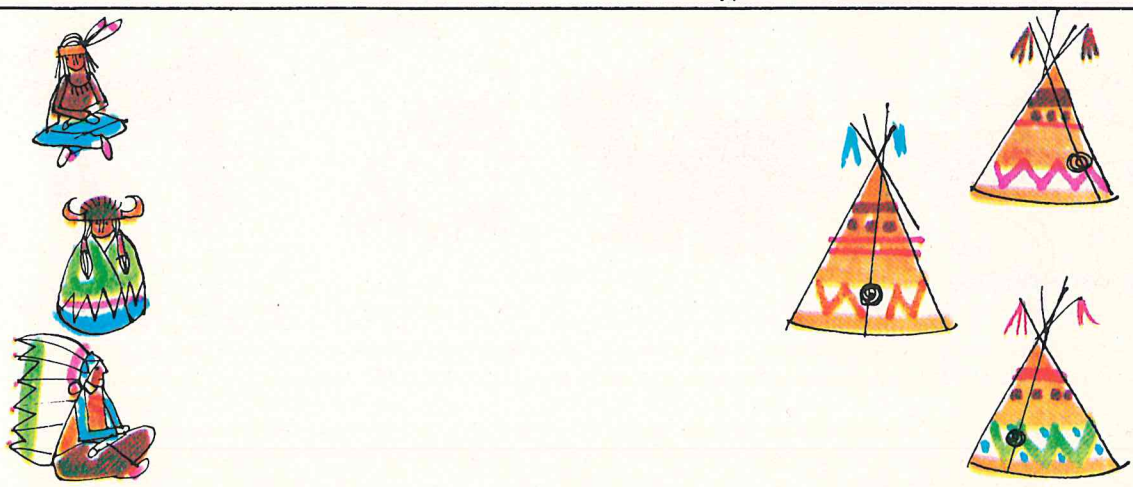

Ring the set of animals,
the set of dishes,
the set of fruit.

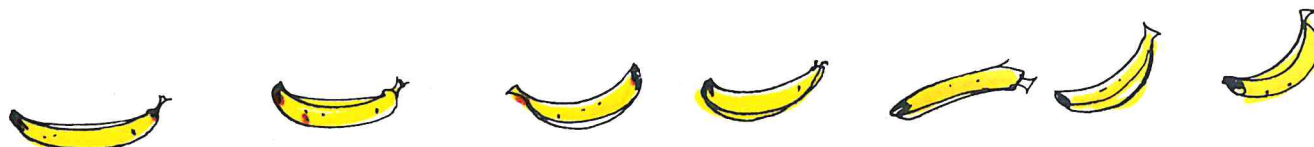

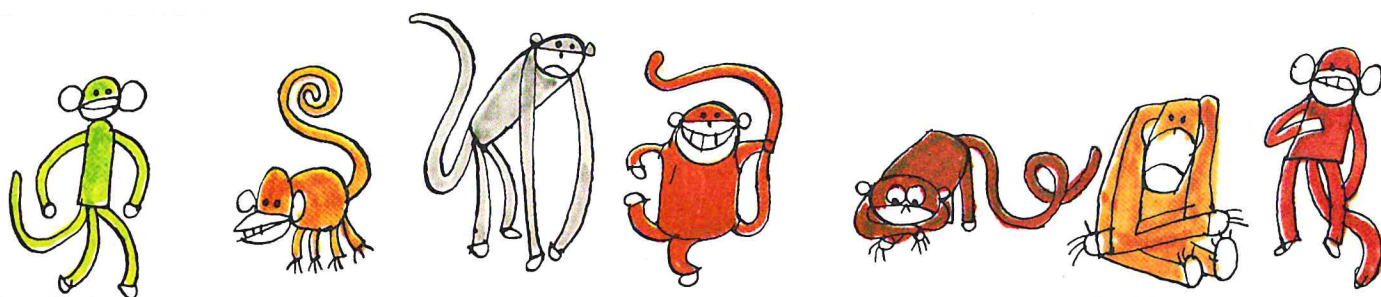

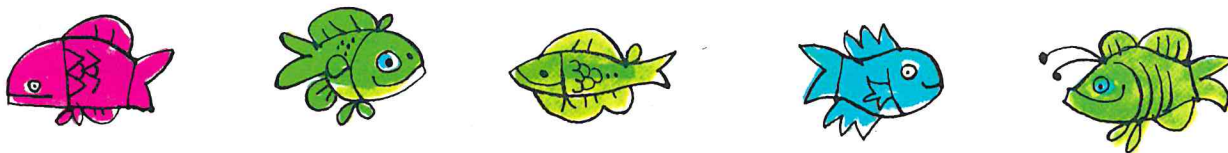

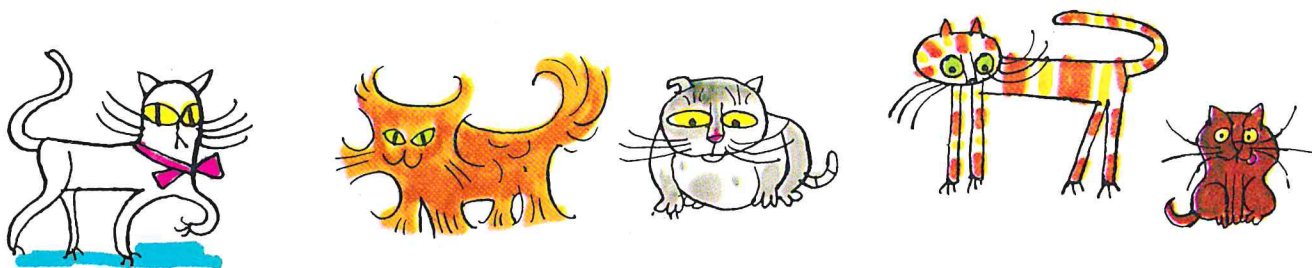

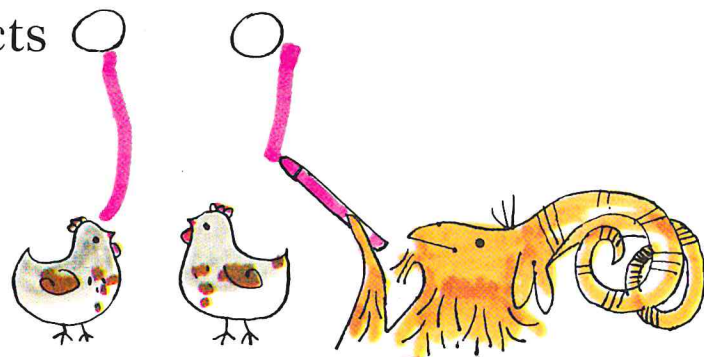

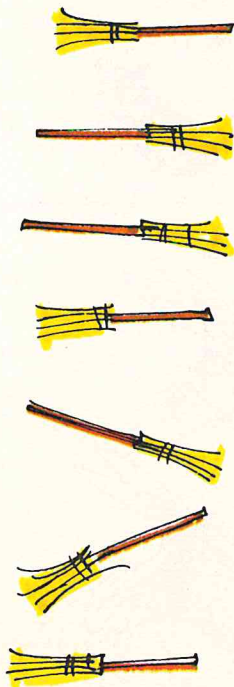

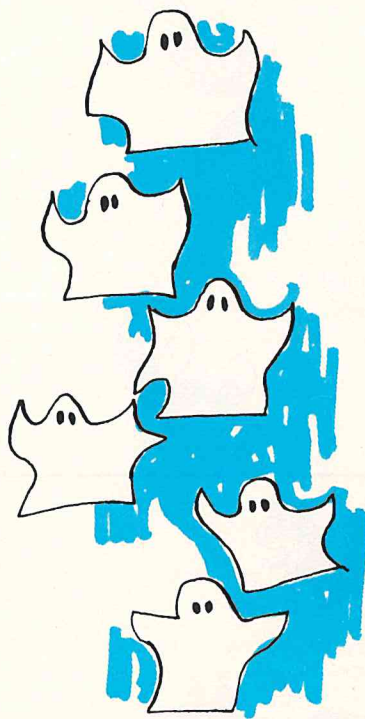

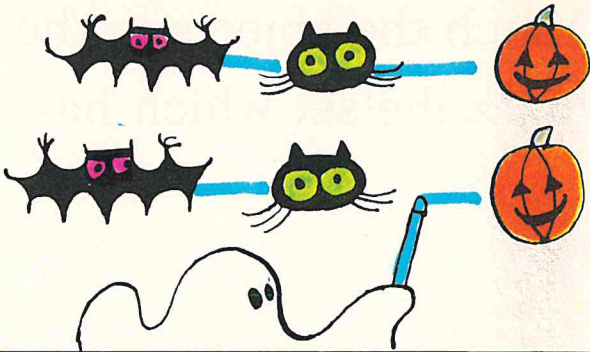

Draw lines to match the objects in the sets.

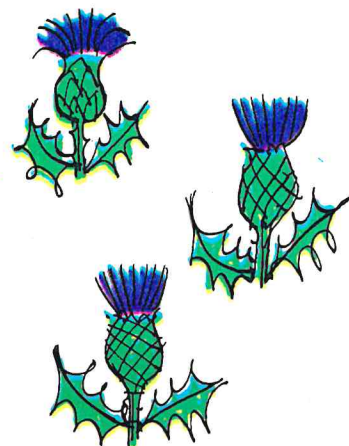

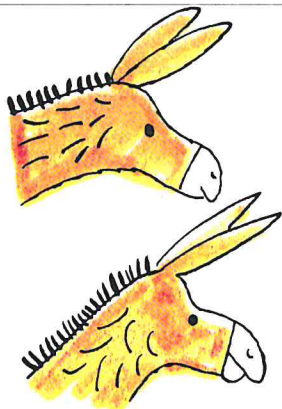

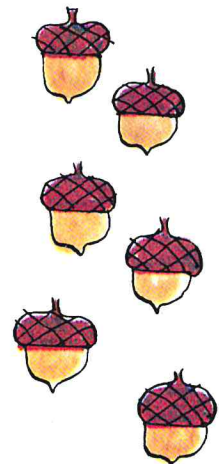

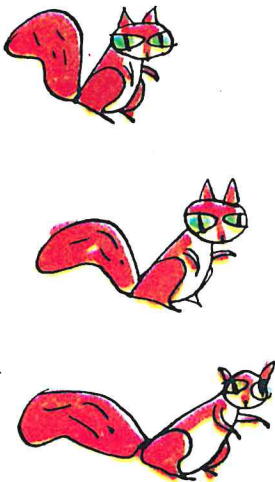

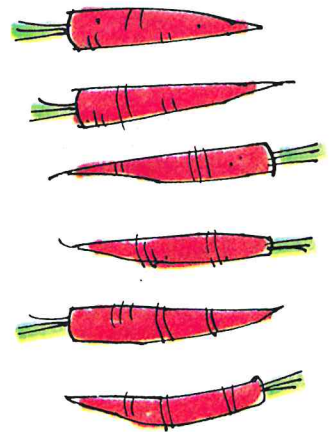

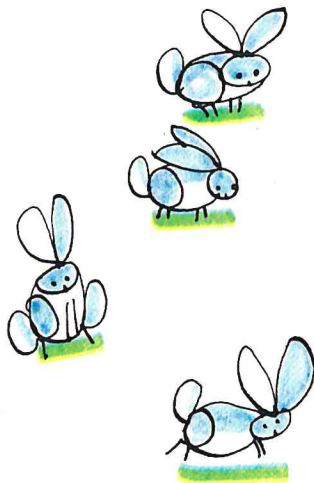

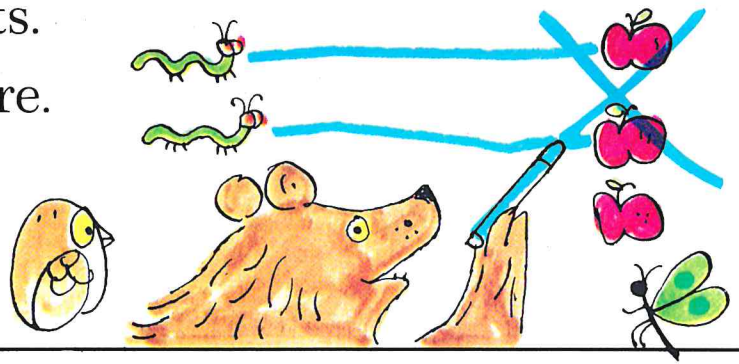

Draw lines to match the objects
in the sets.

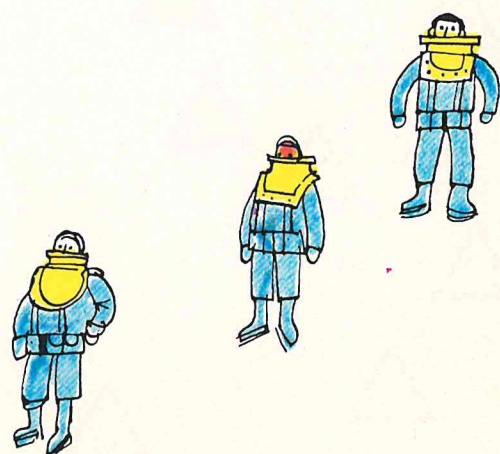

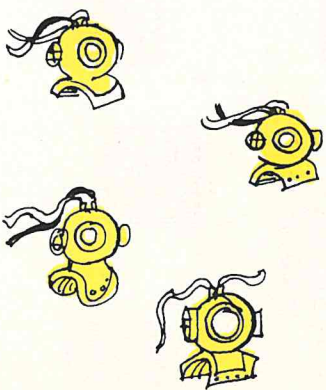

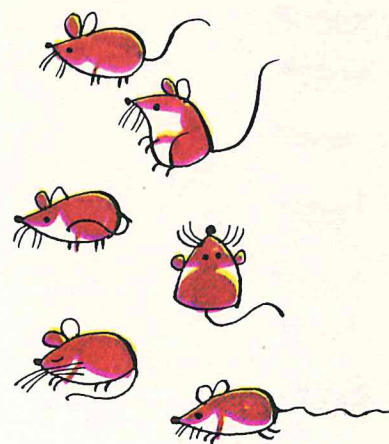

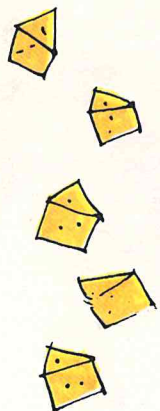

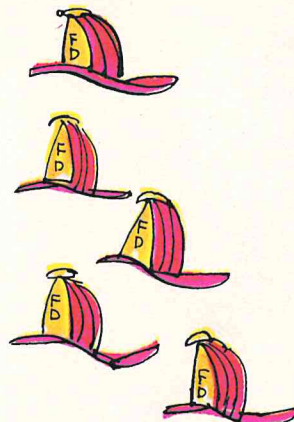

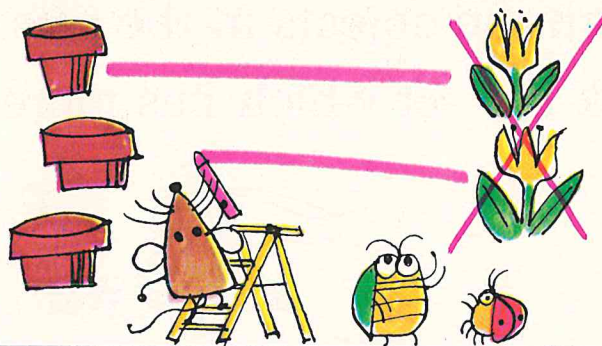

Draw lines to match the objects
in the sets.

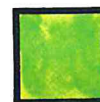

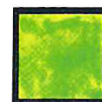

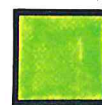

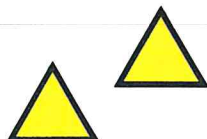

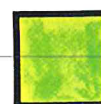

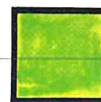

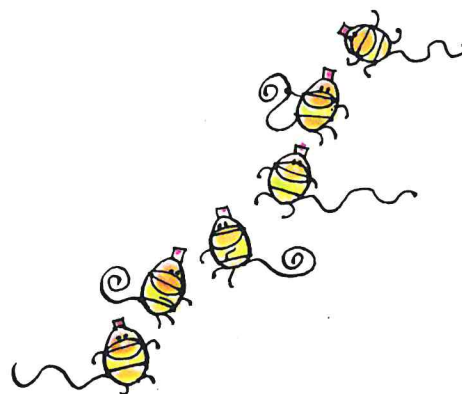

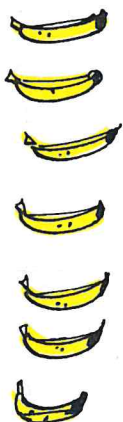

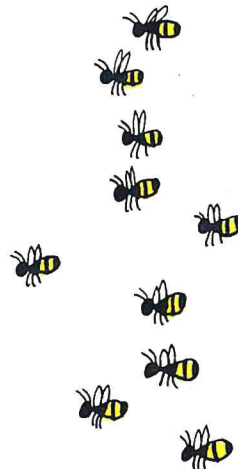

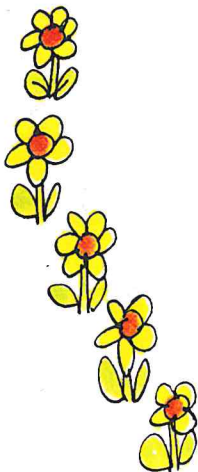

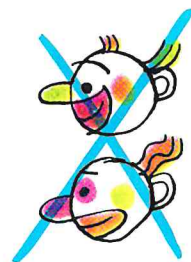

Match the objects in the sets.
Mark the set which has more.

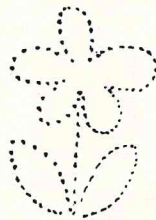

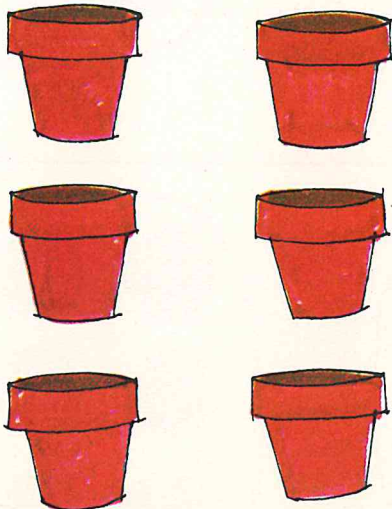

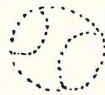

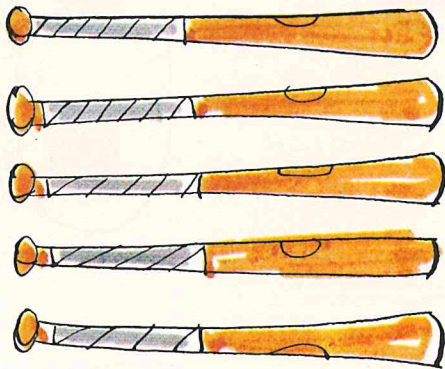

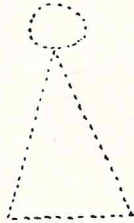

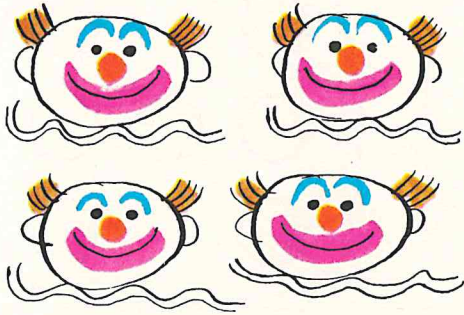

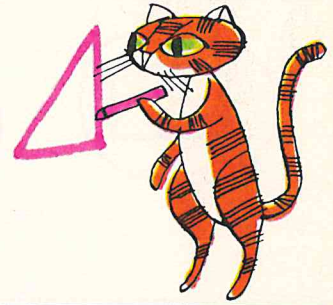

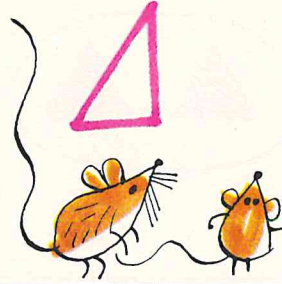

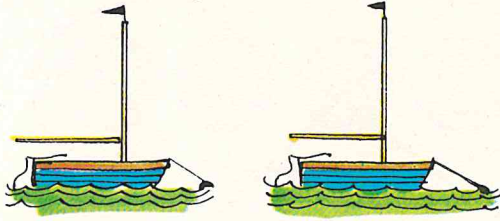

Match the objects in the sets.
 Mark the set which has less.

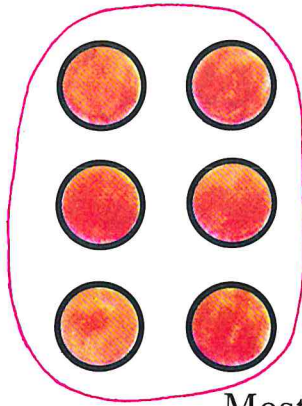

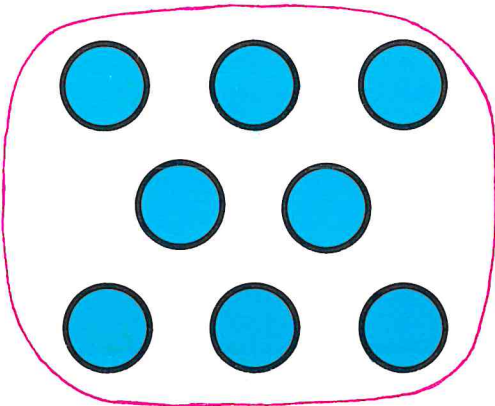

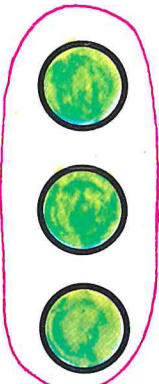

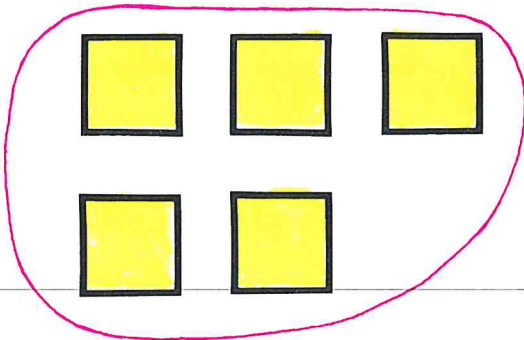

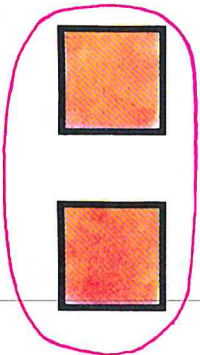

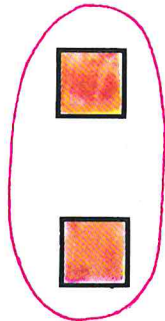

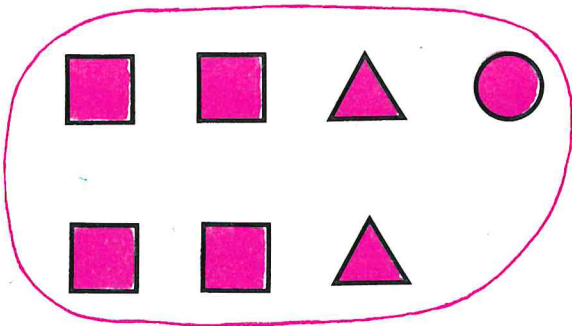

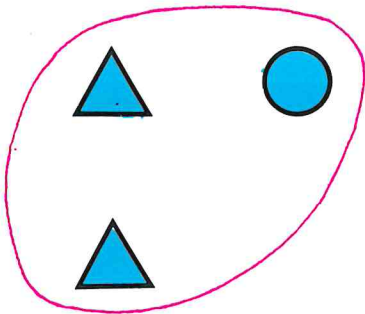

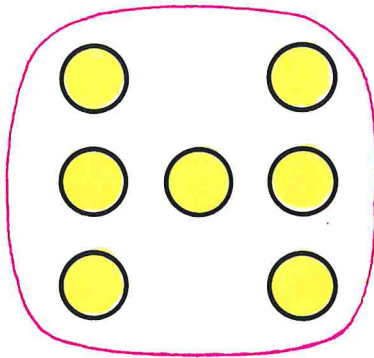

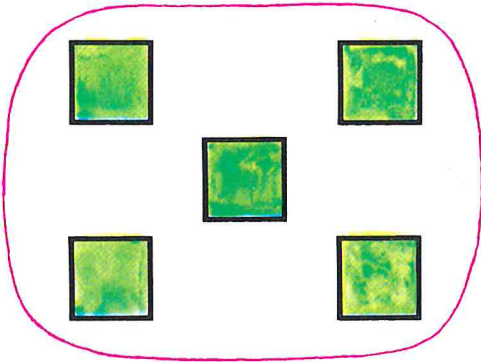

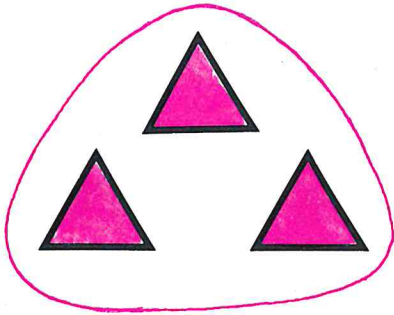

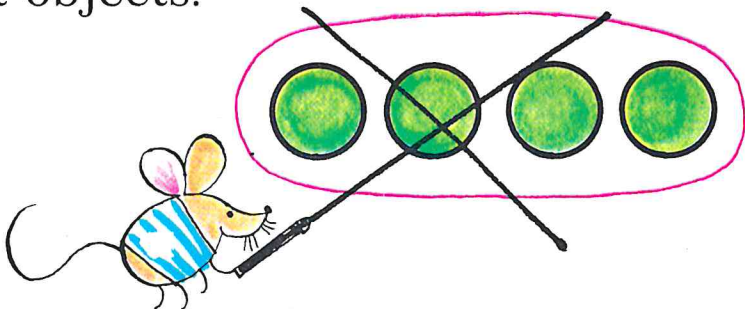

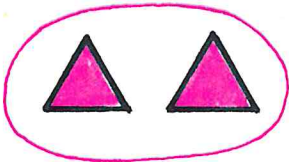

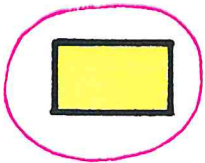

Match the objects in the sets.
Mark the set which has more.

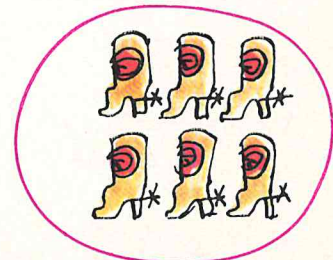

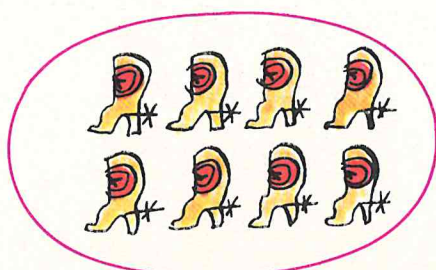

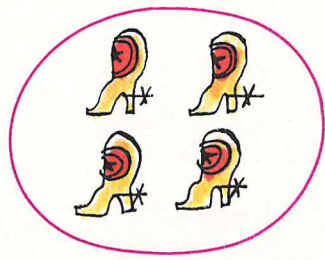

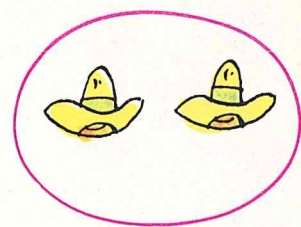

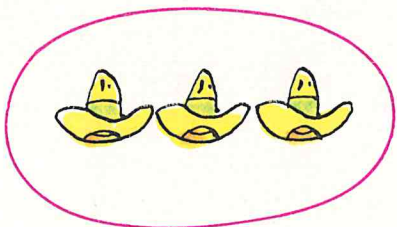

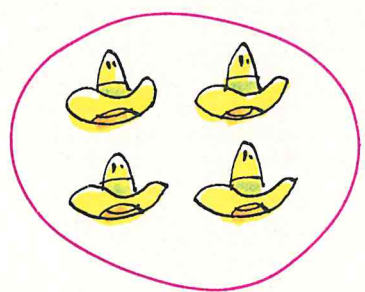

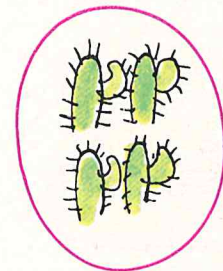

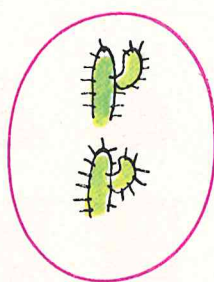

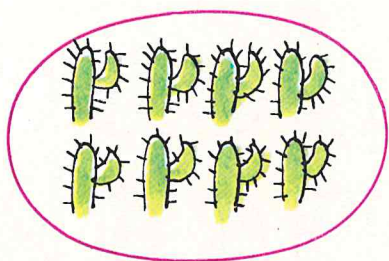

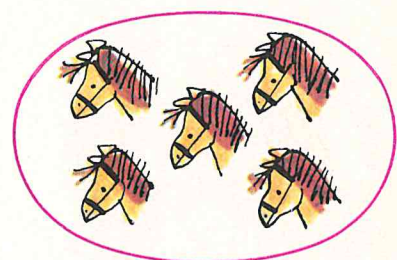

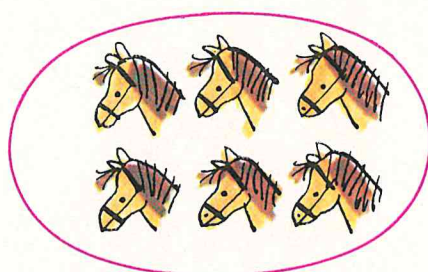

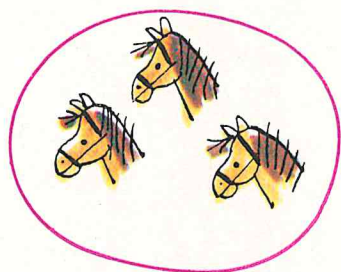

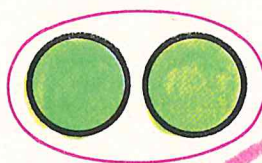

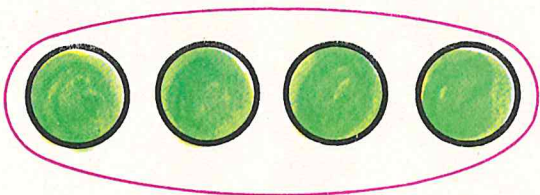

Draw objects so that the sets match.

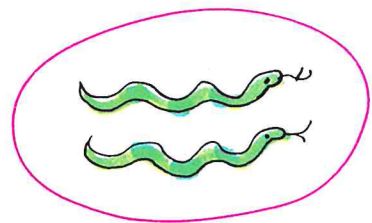

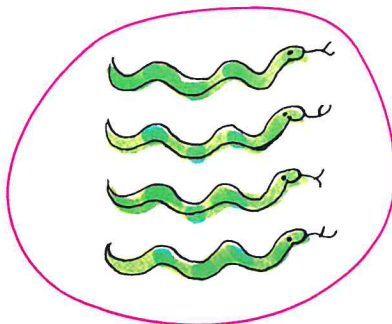

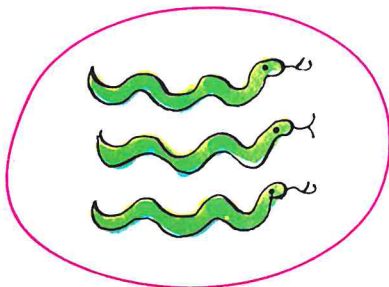

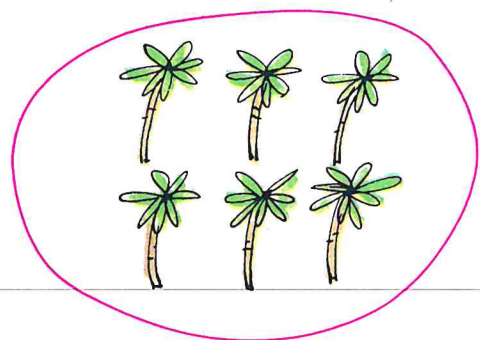

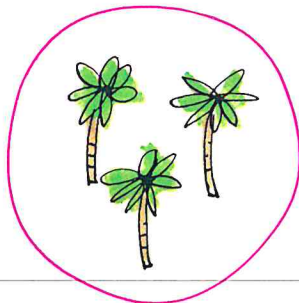

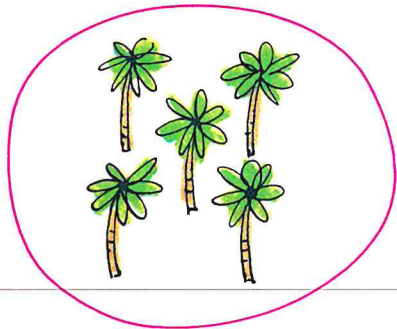

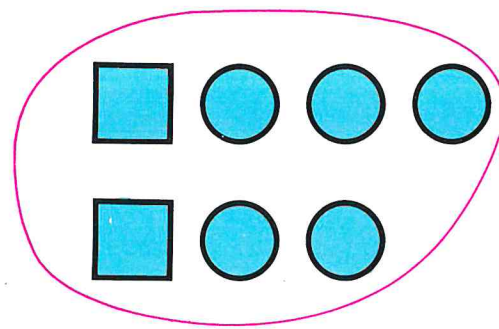

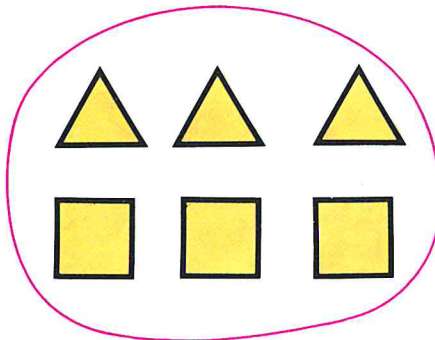

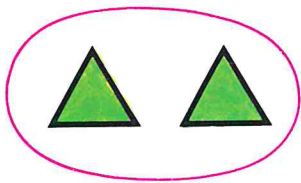

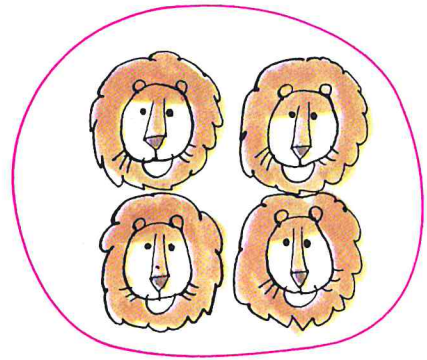

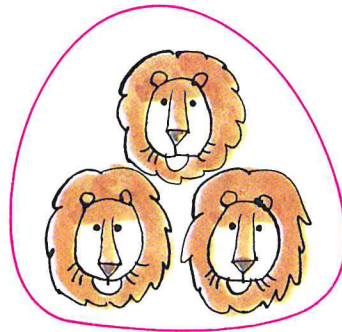

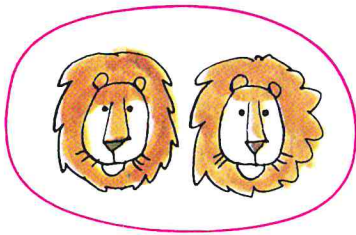

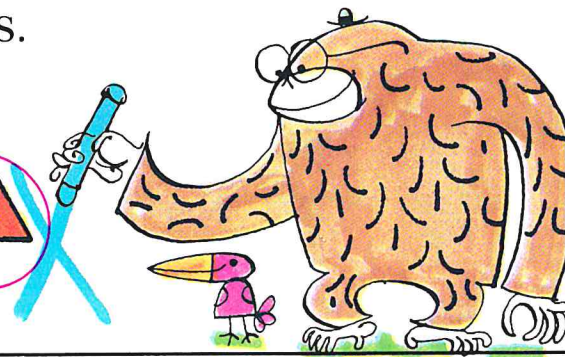

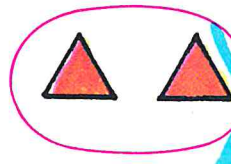

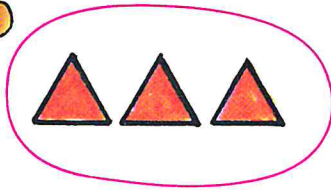

Mark the set with the most objects.

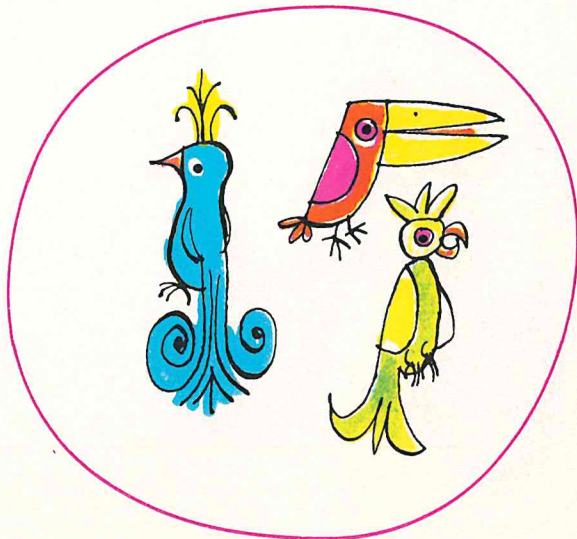

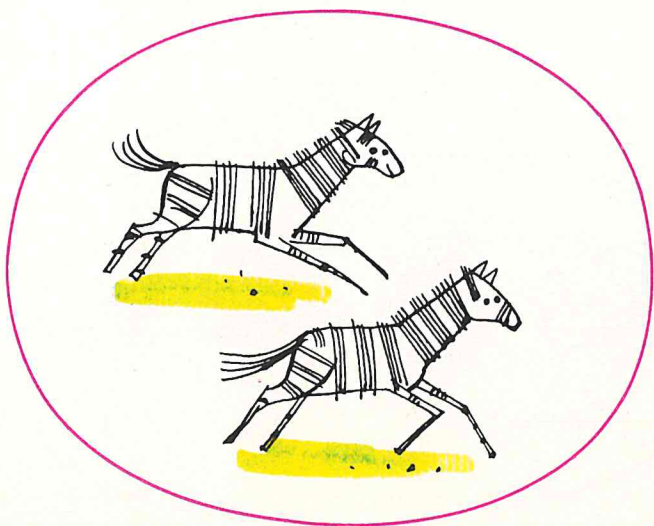

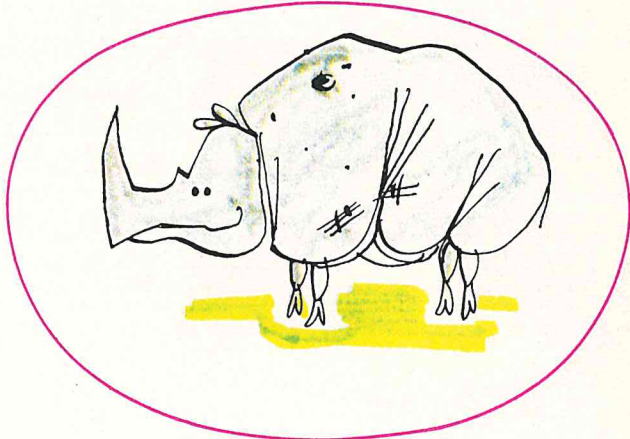

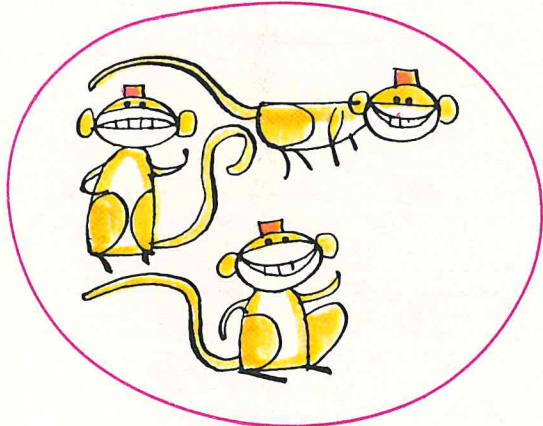

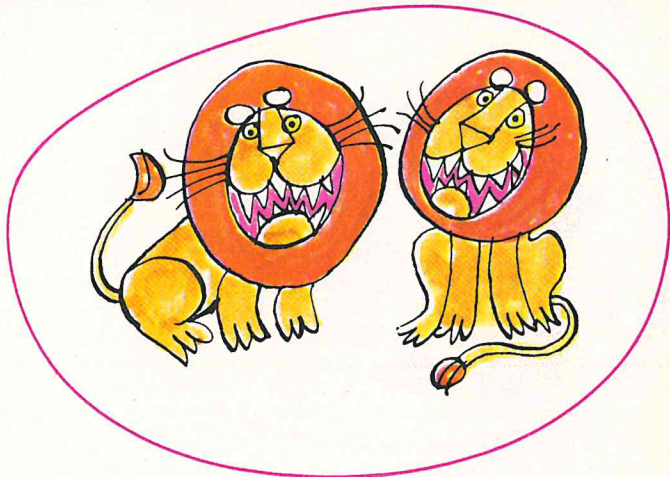

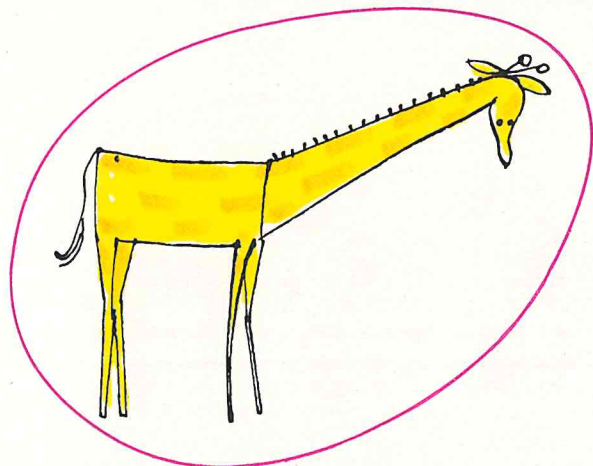

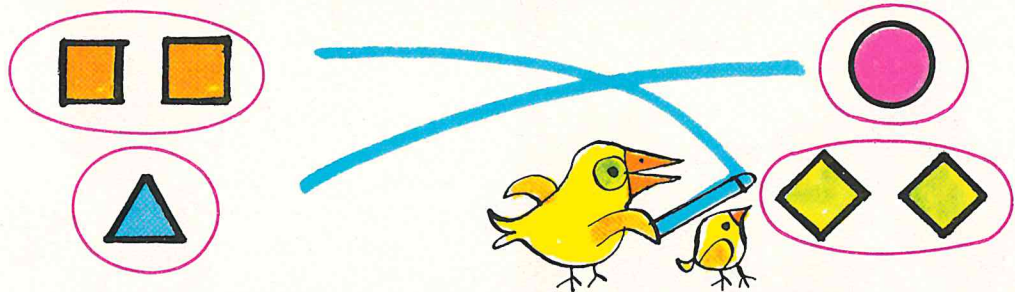

Mark the set with the fewest objects.

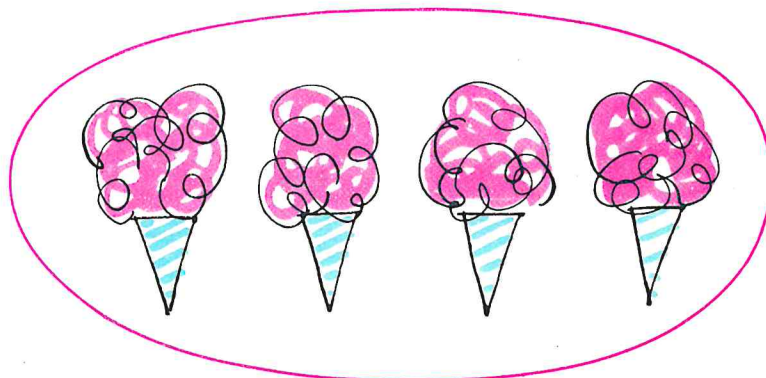

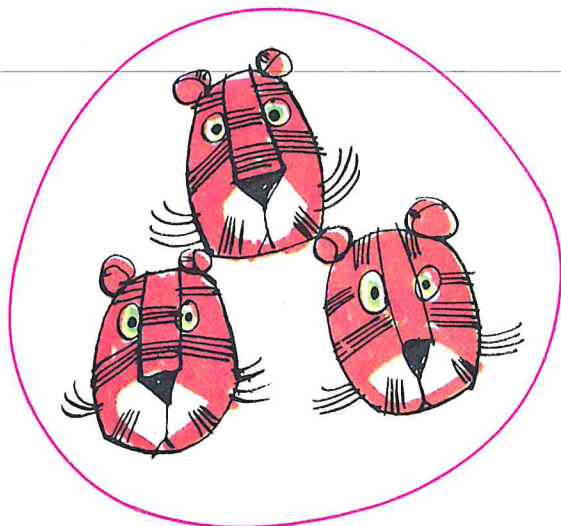

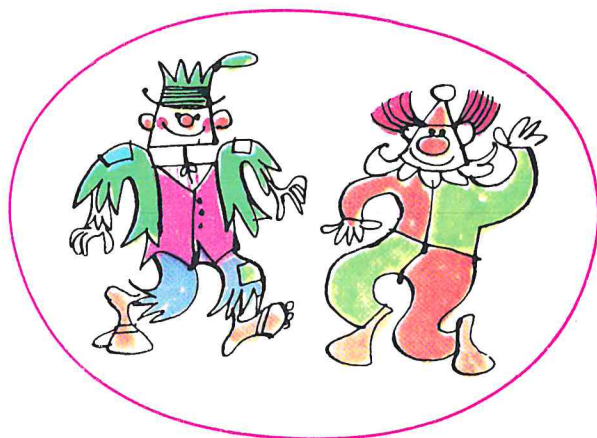

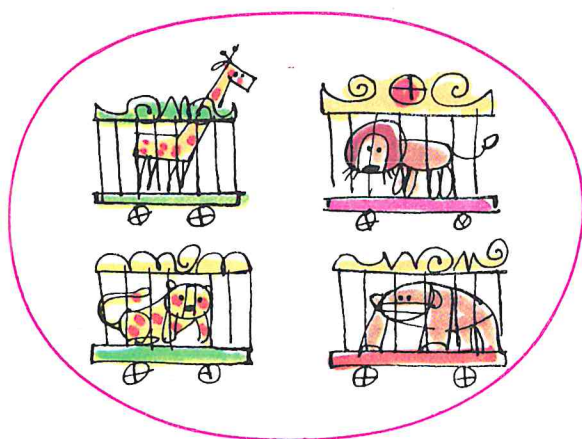

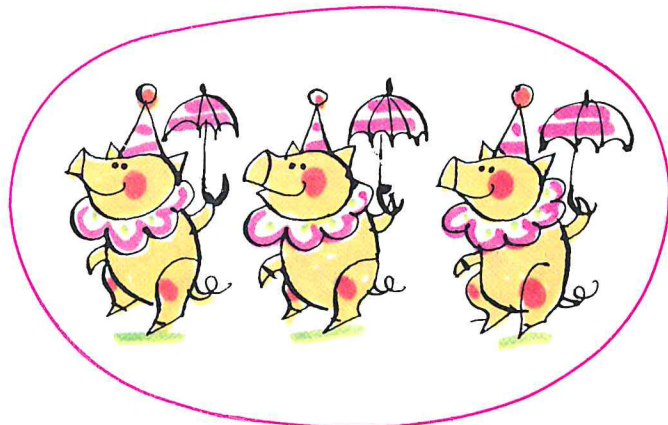

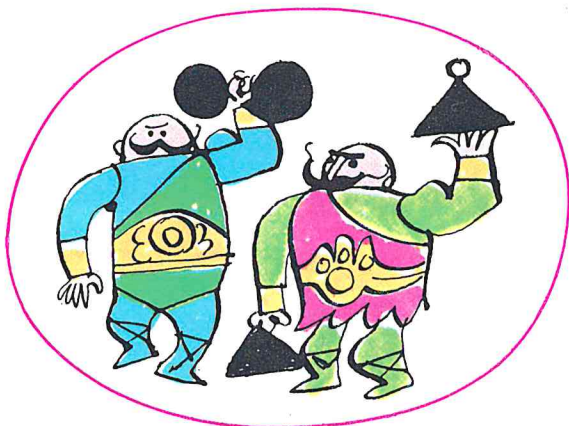

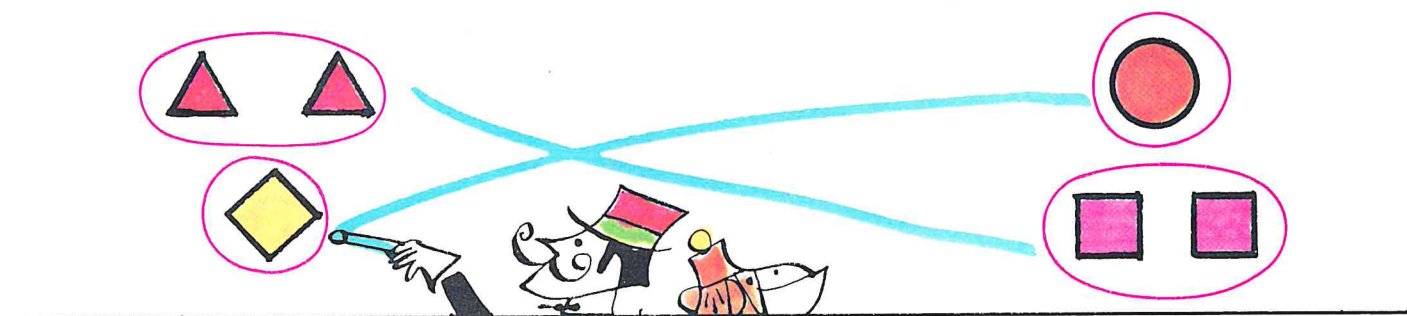

Mark the set with the fewest objects.

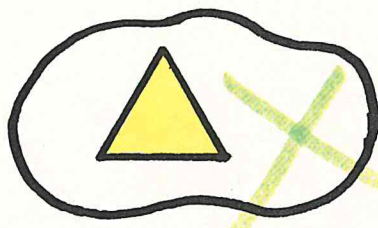

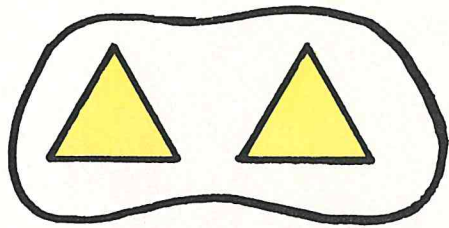

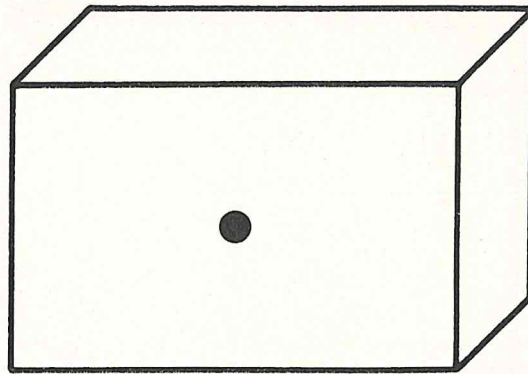

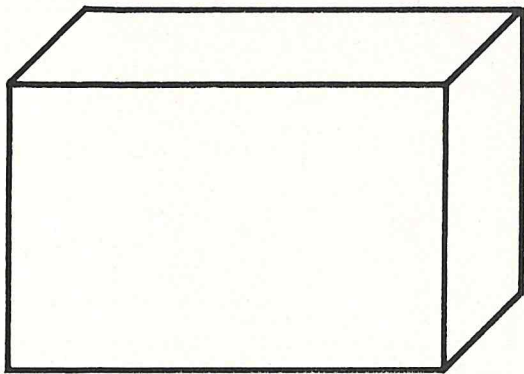

Draw lines to show the sets that match.

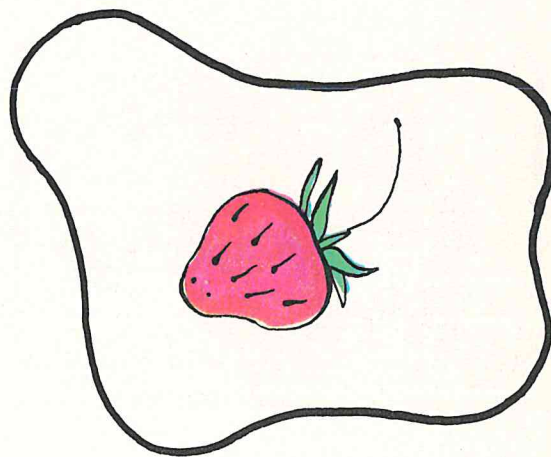

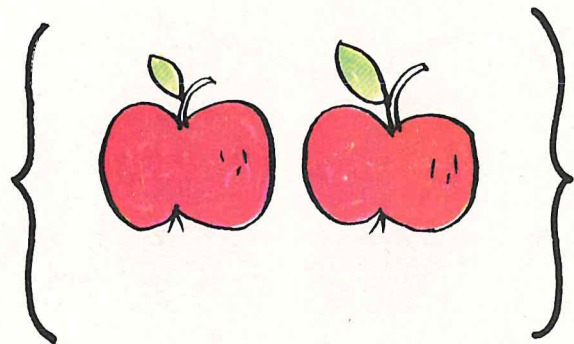

Draw lines to show the sets that match.

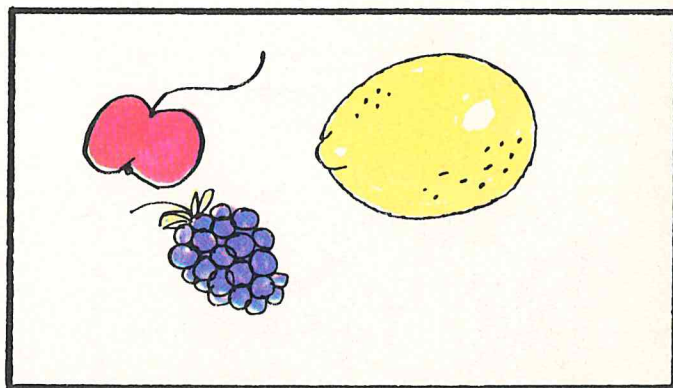

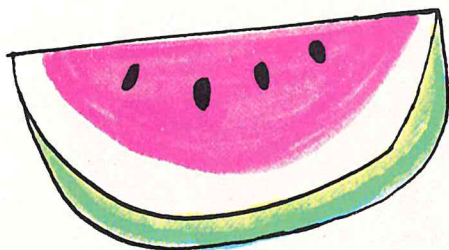

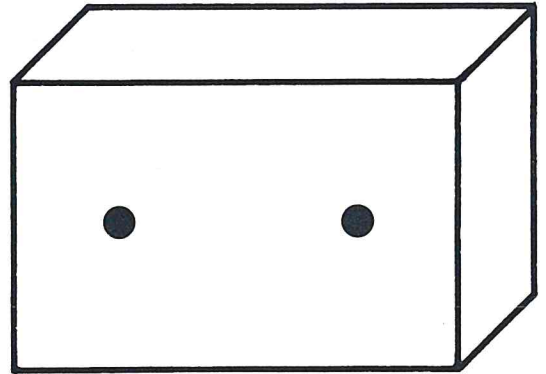

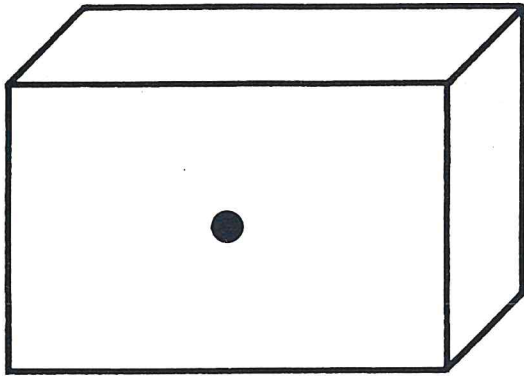

Mark each set of one.

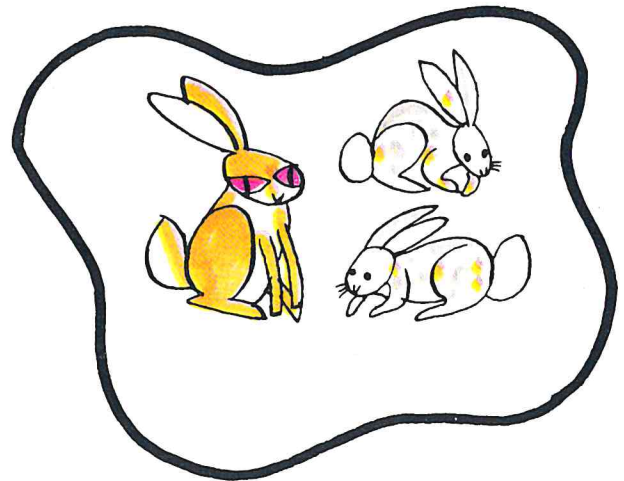

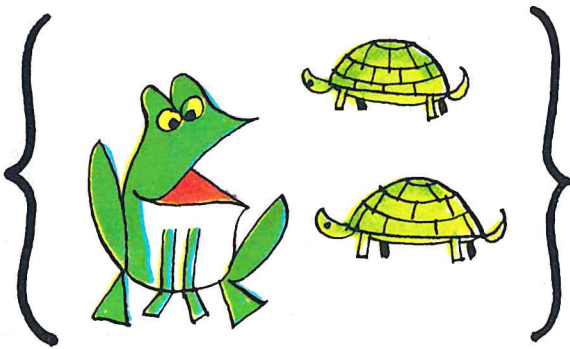

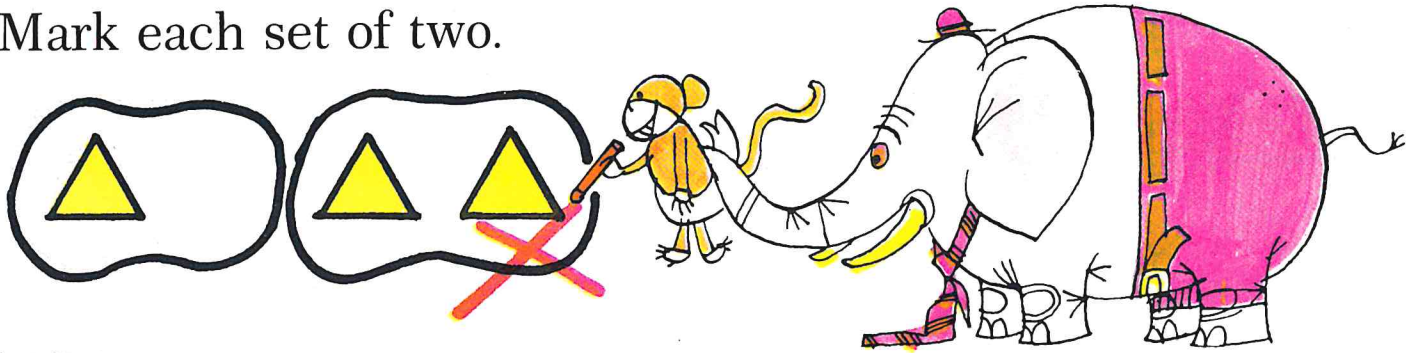

|

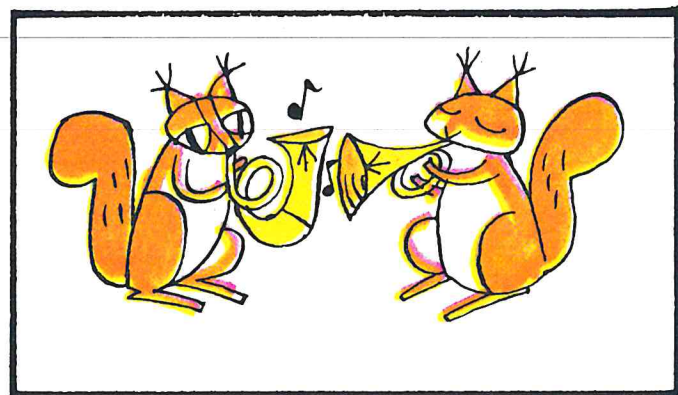

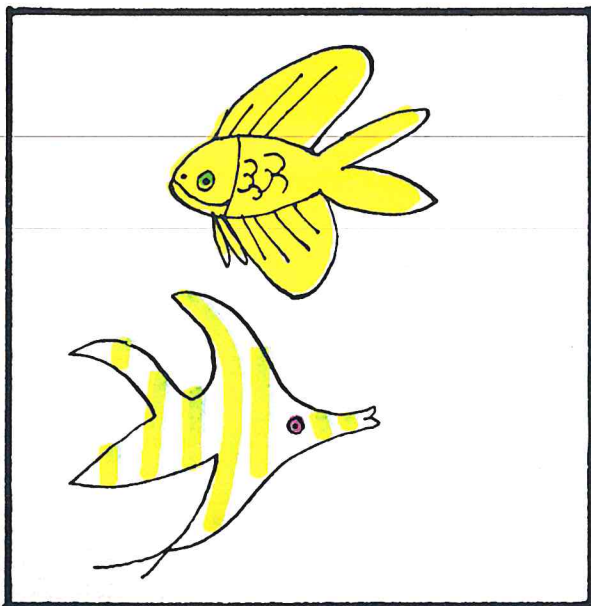

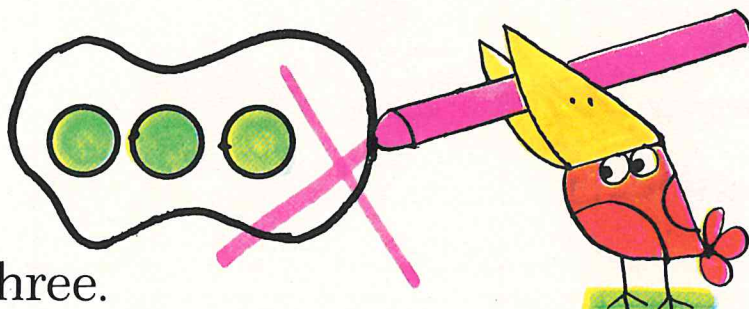

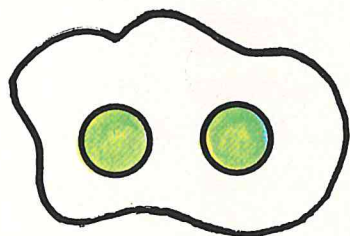

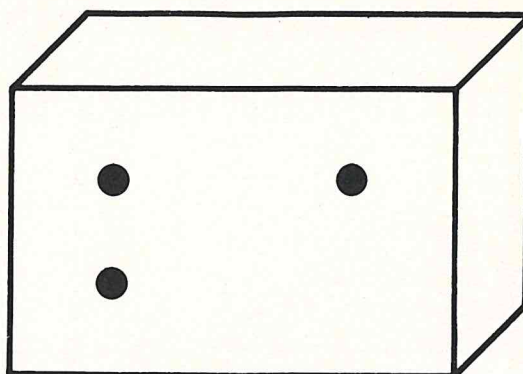

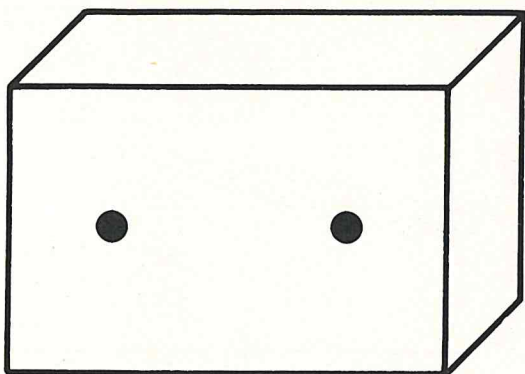

Mark each set of two.

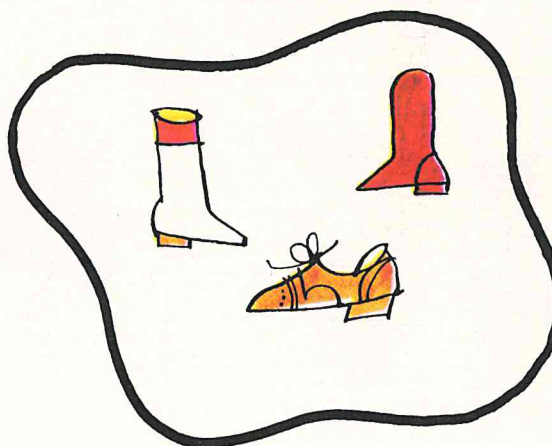

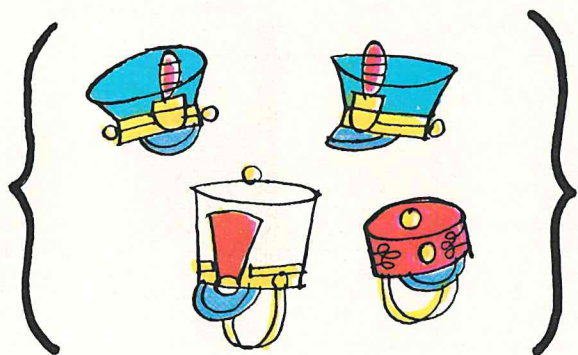

2

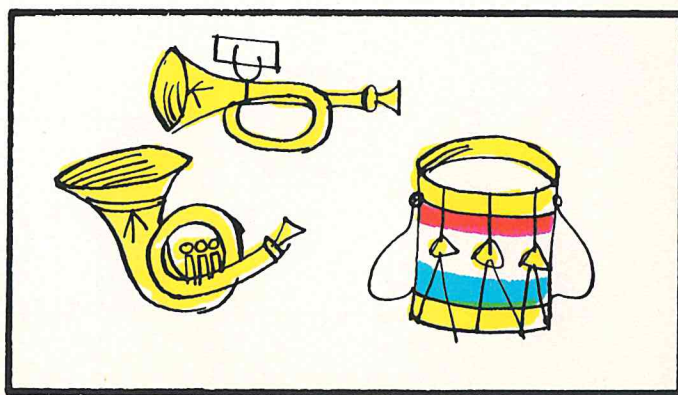

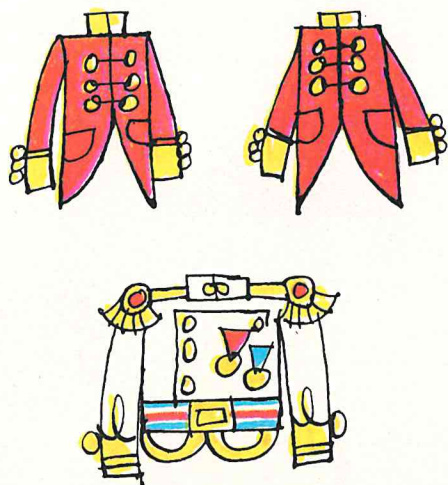

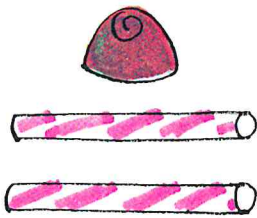

Mark each set of three.

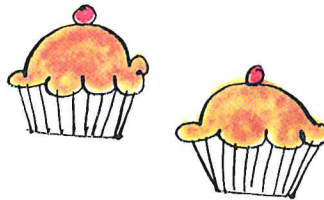

3

Ring the numeral
for the number of the set.

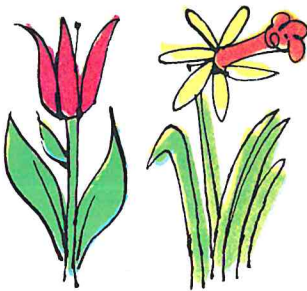

1 2 3

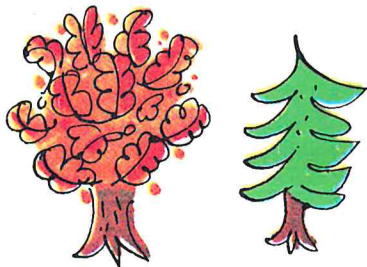

1 2 3

1 2 3

CONTENTS

1

Comparisons

1

Largest, smallest • Longest, shortest • Tallest, inside, outside • Comparing weight • Comparing length • Oldest, youngest, newest • Comparing shapes

2

Geometry

11

Closed curves • Inside, outside, on closed curves • Circle • Circular regions • Rectangles • Rectangular regions • Squares • Square regions • Recognition of shapes • Computing patterns • One-half recognition

3

Sets

30

Identifying sets • Subsets • One-to-one matching • More-fewer matching • Most • Fewest • Matched sets • As many as

4

Sets of 0-6

45

Introducing numbers and numerals 0-6 • Number-numeral identification and recognition 0-6 • Order • Even and odd

5

Sets of 7-10

60

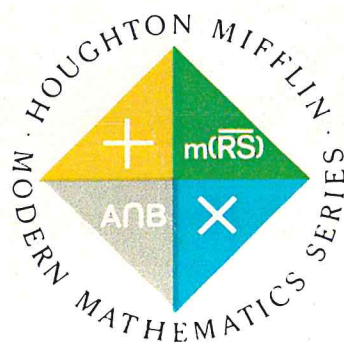

Order of sets and numbers • Order between • Order after • Order before • Order on the number line • Introducing numbers and numerals 7-10 • Number-numeral identification and recognition 7-10

6

Joining and separating sets

82

More, less • Order on the number line • Joining sets to 6 • Separating sets to 5

HOUGHTON MIFFLIN COMPANY
